

PRIZE MONEY BREAKDOWN

SS, ITF 1 and ITF 2 events

At SS, ITF 1 and ITF 2 tournaments 4% of the total prize money will be allocated to all Second Draws. The winner, runner up and semi-finalists of all singles draws (80%) and the winner and runner up of the doubles draws (20%) will receive prize money.

ITF 3 events

At ITF 3 events 3% of the total prize money will be allocated to the Second Draw. The winner, runner up and semi-finalists of all singles draws (80%) and the winner and runner up of the doubles draws (20%) will receive prize money.

ITF Futures events

Prize money can only be allocated to the Main Draws based on the rules described at point a) above. The tournament can decide whether to distribute prize money to singles only or to singles and doubles. If prize money is allocated to singles and doubles, 80% of the prize money must be allocated to singles and 20% to doubles.
