*All entry fees and accommodation prices assume shared occupancy rooms. Unless otherwise stated, entry fees include accommodation.

*All entry fees and prize money are predicted amounts based on exchange rates in October 2005. Please confirm with the tournament directly.

** All entries for the Nasdaq and NEC and Camozzi Masters must be sent directly to the ITF.

1. Where Women and Quad draws are not indicated, it is assumed that those events do not offer these draws. If, nevertheless, enough women and quad players enter these events, ranking points will be awarded from one classification lower than the men (except for Futures events where classification remains the same for all three categories).
2. There are no set draw sizes for women players. For details on this change please refer to the draw size tables at the end of this booklet.
3. With the exception of SS and ITF 1 events in the US, and the Japan Open and Peace Cup in Japan, there are no set draw sizes for quad players. For details on this change please refer to the draw size tables at the end of this booklet.
4. For tournaments listed with different classifications for men and women ranking points will be awarded from the classification levels indicated.
