I. THE COMPETITION

1. Title

The Competition, an international junior singles and doubles competition, shall be called the “ITF World Tennis Tour Juniors”.

2. Mission Statement

The ITF World Tennis Tour Juniors is comprised of the best international junior tournaments staged by its member nations worldwide. National Associations are responsible for proposing the best national tournaments for inclusion on the Tour, subject to the final approval of the ITF Juniors Committee who govern the geographical distribution and grading of Tour tournaments.

The ITF World Tennis Tour Juniors provides a platform for the most successful junior players at national level to measure their standard against the best players from other nations and by reference to the ITF Junior World Ranking, which determines the ITF Junior World Champions at the end of each year.

3. Ownership

The Competition shall be owned and managed by ITF Limited, hereinafter referred to as the “ITF”. The ITF promulgates these Tournament Regulations for the purpose of providing fair and reasonable rules for the orderly and uniform conduct of international junior tennis tournaments sanctioned by the ITF. All references to the International Tennis Federation or ITF in these Regulations shall mean ITF Limited. These Regulations shall be applicable to the junior tournaments known as the ITF World Tennis Tour Juniors. Ownership shall include, but not be limited to, the following national and international rights: registered trademarks of the ITF; commercial exploitation of the Competition; international sponsorship of the Competition; television, radio, film and video recordings, plus new media and internet coverage.

4. Players Eligible

A player is eligible for the 2024 ITF World Tennis Tour Juniors if they meet all of the following criteria:

- a) they are under the jurisdiction of a national tennis association affiliated to the ITF;
- b) they are born between 1st January 2006 and 31st December 2011. Players are eligible to compete on the Tour in the year they turn 13 years of age, if they have reached their 13th birthday on or before the start of the Singles Main Draw of the tournament they are competing in, until the end of the year in which the player turns 18 years of age;
- c) they are in “good standing” with their national association as defined in Appendix M of the Regulations;
- d) in accordance with the ITF Junior Age Eligibility Rules set out in Appendix G, they have not exceeded the limit in the number of tournaments in which they are permitted to participate in a calendar year according to their age; and
- e) All players with a registered IPIN wishing to compete on the ITF World Tennis Tour Juniors must complete mandatory ITF Academy courses, as communicated to players, in order to access the IPIN online entry system. Courses must be completed on the ITF

Academy educational website (itf-academy.com). A player may be suspended from accessing the IPIN system until the relevant courses have been completed.

A player's nationality for the ITF World Tennis Tour Juniors and the ITF World Tennis Tour Juniors Ranking is determined at registration for IPIN by the Nationality on a player's passport. The ITF may request from the player at any time a copy of their current, valid passport as proof of nationality.

Players, who have earned ATP or WTA points based on events on the Men's or Women's ITF World Tennis Tour, should send a copy of their passport to the ATP or WTA. Changes of nationality for players who have ever earned an ATP or WTA point shall be processed by the ATP or WTA and, upon notice to the ITF, it shall update its records accordingly (notwithstanding this Regulation).

Players wishing to make a request to add/change or update their nationality on the website should send a copy of their current passport for the nation they wish to represent to the ITF [and if necessary, the ATP or WTA].

In the event that a player does not hold a current passport for the nation they wish to represent, the player must provide:

- A copy of their current passport (if one is held);
- A written explanation setting out:
 - o why they are seeking to add/change or update their nationality;
 - o why they do not hold a current passport for the nation they wish to represent;
 - o any dates they held nationality in the nation they seek to represent, providing copies of expired passports and/or ID cards where available;
 - o the nature of their ties and affiliation(s) with the nation they seek to represent including, but not limited to:
 - familial connections;
 - period(s) of time spent visiting and/or residing in that nation;
 - their commitment to life and tennis in that nation; and
 - o details of any second or previous nationalities, including in relation to their tennis participation at an international level.

On receipt of the information detailed above, the request will be considered by the ITF Internal Adjudication Panel (IAP) to determine, in its discretion, whether the change of nationality is genuine and not intended to circumvent the application of the Regulations (i.e., a "flag of convenience"). The IAP reserves the right to ask the Player to provide and/or supply further information on request.

The IAP's first-instance decision may be appealed by the Player to the Independent Tribunal in accordance with the applicable Procedural Rules.

This Regulation applies to the ITF World Tennis Tour Juniors only and is without prejudice to any other regulations applicable to other tournaments (such as ITF Junior Team Competitions), which may impose different criteria.

5A. Rules to be Observed

- a) The Competition is open to all tennis players based on merit and without discrimination subject only to the conditions herein set forth.
- b) The Competition shall take place in accordance with these Regulations, the ITF World Tennis Tour Juniors Code of Conduct, the ITF World Tennis Tour Juniors Organisational Requirements, the Constitution of ITF Limited 2024 and the 2024 ITF Rules of Tennis, each of which may be amended from time to time.
- c) In submitting an application, a Tournament automatically undertakes to abide by and fulfill all its obligations under the Regulations.
- d) The ITF reserves the right to refuse approval of or cancel any previously sanctioned Tournament or series of Tournaments for reasons of health, safety, security or any other potential threat to any persons attending the Tournament(s) or to the successful running of the Tournament(s). The ITF bears no liability to any Applicant, Tournament Organiser, Host, National Association, player, Related Person, Covered Person or any other person or entity for any loss incurred as a result of a delayed, rescheduled, postponed or cancelled Tournament. For the avoidance of doubt, neither the ITF or the Applicant shall be liable to any player, Related Person, Covered Person or any other persons or entities for any costs that they might have incurred in relation to such delayed, rescheduled, postponed or cancelled Tournaments, including, without limitation, any travel, transport and/or accommodation costs. This decision (to refuse approval of or cancel any Tournament) will be made on behalf of the ITF by the ITF Juniors Committee, or by the ITF Executive if the Committee so delegates its decision-making power, and may be appealed by the Applicant only, to the Independent Tribunal.
- e) In submitting an entry to a tournament sanctioned by the ITF as a constituent tournament of the Tour, a player automatically undertakes to commit him/herself to abide by and be bound by the Regulations. It is the responsibility of the ITF Supervisor on site to enforce these Regulations on behalf of the ITF.
- f) Any player that enters and/or participates in the ITF World Tennis Tour Juniors, and any Player Support Team Member of any player that enters and/or participates in the ITF World Tennis Tour Juniors shall be bound by and shall comply with the provisions of the Welfare Policy set out in Appendix F.
- g) These Regulations and any dispute arising out of or in connection with them (including any dispute or claim relating to non-contractual obligations) shall be governed by and construed in accordance with English law, without regard to the conflict of law principles thereof. Each Player, Covered Person, Nation and each of its Team Members, directors, officials, officers, members of staff, employees, contractors, agents, and representatives agrees to submit any disputes or claims or other matters arising in relation to the Regulations (including any non-contractual disputes or claims) to arbitration pursuant to Regulation 5B of these Regulations, to the exclusion of any other forum.

5B. Enforcement of Regulations and resolution of disputes

These ITF World Tennis Tour Juniors Regulations may only be amended, repealed or otherwise modified, in whole or in part, by the ITF Board of Directors.

The Board of Directors may grant dispensation from, modify, waive or otherwise alter these Regulations or their application in extraordinary circumstances.

On-site enforcement

It is the responsibility of the Supervisor to enforce these Regulations on-site.

The Procedural Rules for both the Internal Adjudication Panel and the Independent Tribunal are available online at www.itftennis.com, or a hard-copy can be requested in writing to the ITF.

Sanctions

Where the ITF Internal Adjudication Panel and/or Independent Tribunal upholds an allegation of breach of these Regulations, it will determine the sanctions for such breach in accordance with the sanctions provisions in its Procedural Rules, unless these Regulations specify other sanctions for such breach, in which case it will apply the specific sanctions.

Appeals

Save where provided otherwise under these Regulations:

- (a) decisions by the Supervisor under these Regulations may only be challenged by way of appeal to the ITF Internal Adjudication Panel, to be determined in accordance with its Procedural Rules (save that there shall be no right of appeal against the ITF Internal Adjudication Panel's decision);
- (b) subject to the preceding paragraph (a) above, decisions of the ITF Internal Adjudication Panel under these Regulations may only be challenged by way of appeal to the Independent Tribunal, in accordance with the Independent Tribunal's Procedural Rules (in particular, the section applicable to the Independent Tribunal sitting as an appeal panel);

Such appeals may only be brought by one of the following persons:

- (i) the person or entity that is the subject of the decision being appealed; and/or
- (ii) the ITF.

6. International Player Identification Number (IPIN)

In order to enter ITF World Tennis Tour Juniors tournaments all players must first register for Junior IPIN Membership (and pay the appropriate fee) and agree, as a condition of their registration, to accept the related terms and conditions. Failure to register for IPIN Membership and to accept the related terms and conditions will render a player ineligible to enter and/or compete in ITF World Tennis Tour Juniors tournaments.

7. Final Rankings

The final rankings, issued at the end of each calendar year, shall be compiled on the basis of points earned for success in major individual and team events played on both a round-robin and knockout basis. Trophies will be awarded to the winners of the two competitions.

Junior Accelerator positions (AP) are available in the Singles Main Draw of Men's and Women's ITF World Tennis Tour tournaments. These positions are allocated to the Top 20-ranked junior players that receive an ITF year-end junior ranking in 2023. Full details are outlined in Appendix P.

III. RULES AND REGULATIONS OF THE TOUR

10. Combined Junior Ranking

The Combined Junior Ranking shall take into account the following from the preceding 52 weeks:

- (i) the six best singles results obtained in Grand Slam, J500, ITF Junior Finals, J300 Regional Championships, International Team Competition and J300, J200, J100, J60 or J30 junior tournaments (together “Ranking Tournaments”).
- (ii) one quarter ($\frac{1}{4}$) of the six best doubles results, obtained in Ranking Tournaments.

A player may count only their ‘best result’ from up to two (2) editions of the same J100 or higher graded tournament, if both are included in the previous 52-week period. Results from the same J60 and J30 tournament may be counted more than once within a player’s best six results during the 52-week period.

11. If two or more players receive the same number of points, their ranking will follow the number of points, within their six best singles results, scored in Grand Slam tournaments. If two or more are still equal, the number of points won in singles at each grade of tournament will be used to separate the players, counting backwards through the grades in descending order until the players are no longer tied: for example, J500 then J300, then J200. For the avoidance of doubt, points won at International Team Competitions is excluded from this countback.

If two or more players are still equal their ranking will follow the number of points, within their six best doubles results, scored in Grand Slam tournaments. If two or more are still equal, the number of points won in doubles at each grade of tournament will be used to separate the players, counting backwards through the grades in descending order until the players are no longer tied: for example, J500 then J300, then J200. For the avoidance of doubt, points won at a International Team Competitions is excluded from this countback.

12. To be ranked a player must reach a round where points are available (see points table, page 13). The number of points available in each round will vary dependent upon the grading of the tournament and the round reached. Ranking points will not be awarded to any player in breach of the ITF Junior Age Eligibility Rule or any other breach of these Regulations for which the penalty is forfeiture of ranking points.

13. The official published rankings will be calculated on a 52-week rollover system.

14. To be eligible for a 2024 year-end ranking a junior must have played in a minimum of six individual junior singles tournaments, including at least three Grand Slam and/or J500 tournaments and including at least three ranking tournaments outside his/her own country. Each Grand Slam or J500 tournament won will count as two tournaments played. Each Grand Slam or J500 tournament won will further count as one foreign tournament played.

15. Tournament Application and Approval

For the purposes of these Regulations, **Applicant** means any sanctioning National Association and/or the Tournament Organiser awarded a one (1) year sanction on the ITF World Tennis Tour Juniors calendar.

Completed Tournament applications for inclusion in the Tour are to be submitted to the ITF in accordance with the deadlines communicated to National Associations. ITF has full discretion

to grant, refuse or grant with conditions an application, including regarding applications from existing tournaments which may include upgrading or downgrading.

a) With the exception of the Youth Olympic Games Tennis event, Regional Championships and any other event sanctioned by the ITF, only tournaments organised by a National Association, or sanctioned by the National Association concerned, will be considered for inclusion.

b) Applications for tournaments to be held during the same week and at the same venue as a professional tour event will only be considered for inclusion if the tour event is owned and run by the relevant National Association.

16. The fact that a tournament is included in a series or group of tournaments does not automatically entitle the tournament to be part of the Tour, even though other tournaments of the same series have been accepted.

17. A tournament which begins in late December and ends in January can either be the first tournament of the Tour, or the last, at the discretion of the Juniors Committee.

18. If a tournament is included in the calendar and subsequently withdraws within nine (9) weeks of the scheduled first day of play, that tournament shall be subject to the Tournament Offences provisions as set out in Article VII of the Code of Conduct. This tournament must still pay the full amount of the sanction fee, as outlined in Rule 20 below.

19. Insurance

(a) The Applicant is responsible for taking out a suitable insurance policy which is compliant with local laws and regulations, and which insures against claims made for damage to property and for death/injury caused to people at the event for which the applicant is legally liable. "ITF Ltd" and "ITF Licensing (UK) Ltd" must be named in the policy and on the certificate of insurance, and a copy should be provided to the ITF on request.

(b) The Applicant is encouraged to take out those insurance policies that safeguard against employer's liability, business interruption and personal injury as well as any other appropriate insurance policies recognised under local law. In addition, it is strongly recommended that the Applicant obtain and maintain event cancellation and abandonment insurance which insures against all reasonably known financial risks arising from the rescheduling, cancellation and/or abandonment in whole or in part of a Tournament due to force majeure.

20. Sanction Fees

All tournaments on the ITF World Tennis Tour Juniors must pay the relevant fee below in order to be included on the Calendar. Fees listed are in US Dollars (USD).

Junior Grand Slam	\$750
J500	\$725
J300	\$600
J200	\$450

J100	<u>\$350</u>
J60	<u>\$350</u>
J30	<u>\$350</u>

Approval to sanction a tournament may be subject to conditions imposed by the ITF as sees fit.

21. Tournament Responsibilities

If required, tournaments shall assign to the ITF, free of charge, one (1) page in the Official Tournament Programme for an ITF editorial or advertisement.

22. Tournaments shall display an ITF World Tennis Tour Juniors banner on their main court. Tournaments are responsible for creating this banner themselves using the ITF Branding Toolkit.

23. Tournaments shall have internet access on site for the use of the ITF Supervisor.

24. The Tournament Director shall:

- a) Nine (9) weeks prior to the tournament send to the ITF a copy of the tournament fact sheet for approval. This shall not be changed once published. If the fact sheet has not been received by six (6) weeks prior to the Monday of the tournament week, the tournament may be cancelled.
- b) Following the conclusion of the tournament send to the ITF the tournament report form.

The ITF Supervisor is the on-site representative of the ITF, and is responsible for:

- a) Ensuring the uniform administration and interpretation of the ITF World Tennis Tour Juniors Regulations including the Code of Conduct and ITF Welfare Policy, the Rules of Tennis, the Organisational Requirements, and the Duties and Procedures for Officials;
- b) Using Tournament Planner software before and during the tournament.
- c) Ensuring that all players' passports/photo IDs are checked for date of birth and that any discrepancies with the information provided in Tournament Planner are reported to the ITF.
- d) Uploading results daily using the Tournament Planner software.
- e) On conclusion of the tournament sending to the ITF the ITF Supervisor's Report form, including details of any penalties imposed under the Code of Conduct.
A list of any penalties imposed shall be posted during the tournament on the competitors' notice board and shall be updated on a daily basis.

Unless specified otherwise, all decisions of the ITF Supervisor are final.

25. Tournament Offences

Any tournament not complying with the 2024 ITF World Tennis Tour Juniors Regulations will subject the Tournament Organiser and/or sanctioning National Association to the determination and penalty procedures as set out in the Code of Conduct, under Article VII. Tournament Offences.

26. Research

No research involving players, coaches or other persons directly associated with a tournament shall be conducted without prior approval of the ITF.

27. ITF Responsibilities

The ITF is responsible for the overall administration of the Tour and costs involved and shall do its utmost to ensure that the calendar is widely publicised.

28. The ITF shall process results from all tournaments on the Tour and shall issue on a weekly basis the latest world ranking points accumulated by competitors. These shall be published on the ITF Juniors website: www.itftennis.com/juniors.

29. National Association Responsibilities

National Associations shall ensure that the tournaments they sanction for inclusion in the ITF World Tennis Tour Juniors maintain appropriately high standards of organisation and administration. This includes, but is not limited to, having in place and maintaining appropriate policies and procedures in respect of safeguarding and ensuring that the tournaments they sanction comply with such policies and with the ITF World Tennis Tour Juniors Organisational Requirements (as may be amended from time to time).

30. Grades

Tournament grading is managed by the ITF Juniors Committee. The current tournament grading criteria, available at www.itftennis.com, shall determine: (i) whether an existing tournament is suitable for an upgrade or downgrade, or (ii) the grade of any new tournament. Tournaments shall be classified into grades, based on a range of criteria (by way of example only, strength of draw, player feedback, standards of delivery and geographical balance).

31. Allocation of Points

Ranking points for each tournament grade are as set out below. Please refer to Appendices A, B and C for special regulations for J500 tournaments, Regional Championships and ITF Junior Team Competitions.

No Main Draw points will be awarded to a player until he/she has played and won a round in the Main Draw. Advancement through a bye in the first match will not be equivalent to winning a round. Advancement by virtue of walkover, or by retirement following the commencement of a match, will be equivalent to winning a round. An abandoned tournament counts as a tournament played if the player had not withdrawn before the decision to abandon was taken.

Any player who leaves a tournament prior to his/her elimination from all entered events, or retires from a tournament for medical reasons, without a valid medical certificate (from the tournament doctor), will forfeit all ranking points won in all events at that tournament and be subject to the penalties set forth in the Code of Conduct.

If the singles or doubles event of a tournament is cancelled, e.g. due to poor weather, before the tournament is concluded, loser points for the round achieved will be awarded to players. If a tournament is officially terminated and the final(s) have not been completed, the finalists will each receive runner-up points.

39. Singles Entry and Withdrawal

i) Entry and Withdrawal Deadlines

The Entry Deadline is at 14:00 hrs Greenwich Mean Time (GMT) on the Tuesday twenty (20) days prior to the Monday of the tournament week.

Grand Slam, J500 tournaments and their warm-up events shall have an entry deadline at 14:00 hrs GMT on the Tuesday either forty-one (41), thirty-four (34), twenty-seven (27) or twenty (20) days prior to the Monday of the tournament week.

Under exceptional circumstances other tournaments (J300, J200, J100, J60 or J30) may apply to the ITF for an exemption from the 20-day rule.

It is the player's responsibility before entering a tournament to check the correct entry deadline on the official tournament fact sheet on the IPIN online service. It is also the player's responsibility to check that any online entry made has gone through and that a confirmation email has been received, and subsequently to check his/her position on acceptance lists.

The Withdrawal Deadline is at 14:00 hrs GMT on the Tuesday thirteen (13) days prior to the Monday of the tournament week. This applies to both Main Draw players and players on the Qualifying Acceptance List.

ii) Submission of Entries and Withdrawals

All entries must be submitted online through the IPIN online service or, in exceptional circumstances, by email on the Official Entry Form to the ITF.

Irrespective of the penalties that may be imposed under Regulation 39(v) and the Code of Conduct, players must always submit a withdrawal if they are not going to attend a tournament that they have entered.

Withdrawals must be submitted online through the IPIN online service. Note: Sending a Withdrawal Form by email is no longer an acceptable method for players to withdraw themselves from an ITF tournament after the Freeze Deadline. Only in exceptional circumstances, the Official Withdrawal Form may be sent by email to the ITF and/or ITF tournament Supervisor by the applicable deadline. Entry and withdrawal forms submitted by email must be signed by the player and be fully completed.

A player applying for entry shall be deemed to apply for entry into the Main Draw or the Qualifying of the tournament.

A player may apply for entry into no more than three (3) ITF World Tennis Tour Juniors tournaments in a specific tournament week. If he/she enters more than one tournament in the same week, he/she must indicate a priority.

If a player has entered multiple events, he/she should remove him/herself from all events in which he/she no longer wishes to compete before the Withdrawal Deadline.

iii) Multiple Entries

At the Withdrawal Deadline the following shall occur:

- If a player is accepted into the Main Draw or Qualifying of one ITF World Tennis Tour Juniors tournament, he/she will be immediately withdrawn from the Entry Lists of all other tournaments.
- If a player is accepted into the Main Draw or Qualifying of more than one ITF World Tennis Tour Juniors tournament occurring during the same period, he/she will remain on one List and will be immediately withdrawn from the Entry Lists of all other tournaments according to the following criteria:
 1. Main Draw takes priority over Qualifying, and Qualifying over Alternates
 2. Tournament Entry Priority (except if a player has been accepted into the Main Draw of a Grand Slam tournament, in which case he/she will remain on that List even if not his/her first priority.)

If a player did not state an entry priority, he/she will be immediately withdrawn from all but one Entry List according to the following criteria:

1. Tournaments with the highest grade will take priority;
 2. If equal, the Entry List on which he/she is highest placed will take priority;
 3. If equal again, the tournament which is geographically closest to his/her country of Nationality will take priority.
- If a player is not accepted into any ITF World Tennis Tour Juniors tournament occurring during the same week, he/she may remain on more than one Entry List as an Alternate until the Freeze Deadline. At the Freeze Deadline, the player will be removed from all but his/her highest priority tournament. However, once he/she is accepted into any ITF World Tennis Tour Juniors tournament before the Freeze Deadline, he/she will be withdrawn from the Entry Lists of all other tournaments occurring during this period.
 - If a player is accepted into an ITF World Tennis Tour Juniors tournament and a Men's or Women's ITF World Tennis Tour tournament in the same week, he or she will be withdrawn from the Junior tournament at the Withdrawal Deadline. Exception: If a player is accepted into the Main Draw of a Junior Grand Slam tournament, that tournament will be prioritised over all other ITF tournament entries that week (i.e. including \$35,000 tournaments or any other Junior tournament).

iv) Commitment

Except as outlined in Article II. B.3a Playing Another Event/One Tournament per Week, in the Code of Conduct, a player may not compete:

- In an ITF World Tennis Tour Junior tournament if he/she is committed to another ITF World Tennis Tour tournament (Men's, Women's or Juniors) during the same tournament week; or

- In any other ITF World Tennis Tour tournament (Men's, Women's or Juniors) if he/she is committed to an ITF World Tennis Tour Juniors tournament in the same tournament week.

Prior to the Withdrawal Deadline a player's status on an Acceptance List is not confirmed. A player who appears on a Main Draw or Qualifying Acceptance List at any time after the Withdrawal Deadline is deemed to have been accepted into and is committed to play the tournament.

A player can appear on more than one Alternate list and is not committed to play in any one tournament unless he/she moves into a Main Draw or Qualifying Acceptance List prior to the Freeze Deadline, in which case he/she will be removed from all other lists.

v) Late Withdrawal

Any withdrawal by a player accepted into Main Draw or Qualifying that occurs after the Withdrawal Deadline will be considered a Late Withdrawal, unless that player has been nominated after the Withdrawal Deadline to represent his/her country in an official ITF or Regional Association team competition.

Please see Article III. X of the Code of Conduct for Late Withdrawal penalties.

A player's first three (3) late withdrawal offences within a calendar year will be automatically excused* provided the online withdrawal is made prior to the Qualifying Sign-in Deadline. It will not be necessary to provide a medical certificate in the case of this category of Late Withdrawal.

*(*an excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws, as above, and notifies the ITF about the second week's late withdrawal by the last day of the tournament).*

A player who appears on one or more Alternate list(s) may withdraw at any time, without penalty, until he/she first moves into a Main Draw or Qualifying Acceptance List, at which time he/she will be automatically withdrawn from all other Acceptance Lists by the ITF.

vi) Freeze Deadline

The Freeze Deadline is at 14:00 hrs GMT on the Wednesday preceding the tournament week. After the Freeze Deadline players on the Qualifying Acceptance List will no longer be moved into the Main Draw, and players on one or more Alternate Lists will no longer be moved into the Qualifying Acceptance List.

Such Alternates are not committed to play the tournament and therefore are not subject to Late Withdrawal or No Show penalties.

A player who wishes to withdraw from Main Draw or Qualifying after the Freeze Deadline must withdraw online through the IPIN online service or, in exceptional circumstances, by email using the Official Withdrawal Form to both the ITF and ITF Supervisor otherwise he/she will be subject to the penalties provided for No Show under the Juniors Code of Conduct.

vii) Notwithstanding any other provision of these Regulations, the ITF has the absolute right to refuse to accept or revoke any player's entry to any ITF World Tennis Tour Juniors tournament(s). The ITF may exercise that right as it sees fit, with or without providing reasons.

40. Administrative Error on Acceptance Lists

If, due to an administrative error, too many players arrive on-site and sign-in to play the Tournament, the following procedures will be followed: the last two (2) players accepted into the Tournament based upon the most current updated Acceptance List (excluding Wild Cards and Qualifiers) will play a preliminary match for one (1) position in the draw. The losing player from any play-off match shall be considered as a final round qualifier loser and shall be eligible for lucky loser sign in.

41. One Tournament per Week

A player may apply for entry into up to three (3) ITF World Tennis Tour Juniors tournaments for the same week, but he/she must state a priority at the time of entry and he/she will be withdrawn from all except one event in accordance with the entry and withdrawal procedures outlined in Article 39(iii) above.

Except as outlined in Article II. B.3b Playing Another Event/One Tournament per Week, in the Code of Conduct, a player may not compete:

- In an ITF World Tennis Tour Junior tournament if he/she has competed in another ITF World Tennis Tour tournament (Men's, Women's or Juniors) during the same tournament week;
- In any other ITF World Tennis Tour tournament (Men's, Women's or Juniors) if he/she has competed in an ITF World Tennis Tour Juniors tournament in the same tournament week.

A player who competed in the Qualifying or Main Draw of a Men's or Women's ITF World Tennis Tour tournament is allowed to accept a Wild Card into Main Draw of an ITF World Tennis Tour Juniors tournament during the same week provided he/she lost in the tournament prior to being offered the Wild Card. In all other circumstances, a player may not compete in an ITF World Tennis Tour Juniors tournament if he/she has competed in another ITF tournament in the same tournament week.

A player who is a no show or who withdraws or retires from either singles or doubles main draw in any round may not participate in singles or doubles in any other tournament during the same week.

Violation or attempted violation of this Section shall result in a default by the ITF Supervisor and forfeiture of all ITF Junior World Ranking points received in that tournament (where applicable).

42. One Tournament per Week – Grand Slam

a) A player is permitted to play in an ITF World Tennis Tour Juniors tournament if they have played in a professional Grand Slam Qualifying event the previous week, provided the player

has been eliminated from singles and doubles of the Grand Slam Qualifying prior to the Qualifying Sign-in Deadline of the ITF World Tennis Tour Juniors tournament.

Any such player who is still competing in the Grand Slam tournament at this deadline must withdraw from the relevant ITF World Tour Juniors tournament. It is the player's responsibility to withdraw from the tournament.

A player is allowed to play the doubles event at a professional Grand Slam tournament at the same time as he /she is still competing in the singles event only of the same week's ITF World Tennis Tour Juniors tournament subject to the approval of both Supervisors and provided that this does not unfairly affect the scheduling at either event.

b) A player is permitted to play in an ITF World Tennis Tour Juniors tournament if they have played in a Juniors Grand Slam Qualifying event the previous week, provided the player receives a wild card for the ITF World Tennis Tour Juniors tournament and has been eliminated from singles and doubles of the Grand Slam Qualifying prior to the Qualifying Sign-in Deadline of the ITF World Tennis Tour Juniors tournament.

Any such player who is still competing in the Grand Slam tournament at this deadline must withdraw from the relevant ITF World Tour Juniors tournament. It is the player's responsibility to withdraw from the tournament.

Players accepted into the Singles Qualifying Draw are not required to Sign-In with the ITF Supervisor. Players must be on-site and available to play their first-round match as scheduled. Each Player must provide a contact telephone number so the ITF Supervisor may contact the Player during the Tournament.

Any alternate player may be signed in for the Qualifying Draw by the Supervisor of an ITF or Regional Association sanctioned tournament, or a national competition (if requested by the relevant National Association and approved by the ITF at least two weeks in advance), in the previous week, if such player has completed that tournament in the two days preceding the start of the Qualifying competition. This player must be on site and play his/her first match by the end of the first round of Qualifying. Players travelling as part of a team under one coach may be signed in by the Supervisor of an ITF or Regional Association sanctioned tournament in the previous week, if any other member of that team is still competing in that tournament in the two days preceding the start of the Qualifying competition.

Entered Alternate players (who wish to compete), must Sign-In by contacting the on-site ITF Supervisor, either in person or by telephone, by the qualifying sign-in deadline. Entered Alternates that do not Sign-In with the ITF Supervisor will not be considered for inclusion in the draw.

Except as otherwise stated herein, alternate players who fail to sign in shall not be considered for inclusion in the Qualifying Draw.

Any unused Special Exempt place(s) or Main Draw vacancies (following withdrawals after the Freeze Deadline) shall be filled by entered players who have either signed in for Qualifying or preserved their eligibility for such place(s) by contacting the ITF Supervisor prior to the Qualifying sign-in deadline. Players who preserve their eligibility must get written confirmation from the ITF Supervisor. These players are to be selected in accordance with their position on the Acceptance List. If the Special Exempt places are used or there are no Main Draw vacancies, players who preserved their eligibility are not eligible to play the Qualifying and are subject to the Late Withdrawal/No-Show provisions set forth in the Code of Conduct.

b) Main Draw

49*. Making the Draw

All draws shall be made by the ITF Supervisor in public (i.e., individuals are permitted to attend and witness the making of the Draw). The ITF Supervisor shall appoint one or more players at each ITF World Tennis Tour Juniors Tournament to witness the draws, with preferably one of those players being a different nationality to that of the host country. Interested parties wishing to view the making of the draw should contact the ITF Supervisor.

Time of Draw:

i) Qualifying (Singles) – As soon as possible after the Qualifying Sign-In Deadline

ii) Main Draw (Singles) – No later than 19:00 hours local time on the day before the Main Draw starts and the Order of Play must be posted no later than one hour after the draw has been made.

iii) Doubles – As soon as possible after the Doubles Sign-in.

a) Qualifying

Players from the same nation shall be drawn in different sections as far as possible.

i) Sections and Seeds

The Qualifying Draw shall be made in sections, and the winner of each section shall be given a place in the Main Draw. If four (4) qualifiers are required, there shall be four (4) sections; six (6) qualifiers, six (6) sections; and so on. The draw shall be seeded and the selection of seeds shall be consistent with the criteria used for the main draw. Each section shall have two seeded players. The first seed shall be placed at the top of the first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the first section, the second drawn shall be placed on the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section.

If there are not a sufficient number of seeded players to fill all the positions for seeds in the draw, the section(s) with the highest seed(s) shall not have a second seeded player. If no players are seeded, all players are drawn randomly.

ii) Acceptance of Qualifiers into Main Draw

Once the Qualifying event has begun, only those players who ultimately win their qualifying section and Lucky Losers may be accepted into the Main Draw. The Qualifying event commences when the first ball of the first Qualifying match is struck.

iii) Drawing of Qualifiers

At the conclusion of the Qualifying event, the name of one Qualifier shall be randomly drawn for each qualifying place in the Main Draw. There shall be no prior designation of qualifying sections to qualifying places in the Main Draw. Likewise, when more than one Lucky Loser is to be inserted into the Main Draw, their position in the Main Draw shall be determined by drawing. Vacancies occurring before the Qualifying is completed to be filled by Lucky Losers shall be drawn in conjunction with those players that qualified.

b) Main Draw

If there are two players from the same National Association competing, they shall be drawn in different halves of the draw.

If three or four players from the same National Association are competing, they shall be drawn in separate quarters.

This principle of separation of players shall extend to cover all players in the draw, including, as far as possible, qualifiers drawn manually if the draw is made before the qualifying event is completed.

i) Placing of Seeds

If there are two seeded players from the same National Association competing, they shall be drawn in different halves of the draw.

If three or four seeded players from the same National Association are competing, the first and second players shall be drawn as above and the third and fourth seeded player shall be drawn into the quarters which do not already contain one of that National Association’s players.

This principle of separation of seeded players shall extend to cover all seeded players in the draw.

Taking into account the provisions above, seeds shall be placed or drawn as follows:

1. Place Seed 1 on line 1 and Seed 2 on line 16 (16 draw), 32 (24/32 draw), 64 (48/64 draw) or line 128 (96/128 draw).

2. To determine the placement of the remaining seeds, draw in pairs of two (Seeds 3 and 4) and groups of four (Seeds 5-8, 9-12 and 13-16) from top to bottom as follows:

	16 draw (4 seeds)	24/32 draw (8 seeds)	48/64 draw (16 seeds)	96/128 draw (16 seeds)
Seeds 3, 4	5 12	9 24	17 48	33 96
Seeds 5, 6, 7, 8		8 16 17 25	16 32 33 49	32 64 65 97
Seeds 9,10,11,12			9 25 40 56	17 49 80 112
Seeds 13,14,15,16			8 24 41 57	16 48 81 113

ii) Byes

In the event that there are not enough competitors to fill the draw, then after the seeds are placed in the draw, the required number of byes shall be awarded to the highest seeds as a first priority and any remaining byes shall be drawn by a lot in a manner so as to distribute them as evenly as possible throughout the sections of the draw.

iii) Vacancies and Substitutions

Vacancies shall be filled with substitutes in accordance with the following:

a) **From the Withdrawal Deadline until the Freeze Deadline:**

Direct Acceptance vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with the applicable Criteria for Acceptances. A player not accepted into the Main Draw or Qualifying will appear on the Tournament's Alternates List.

i) Vacancies in the Qualifying and Main Draw shall be filled by entered players selected in accordance with their position on the Acceptance List.

In J100, J60 and J30 tournaments, where the Regional Reserved project (Appendix K) is applicable, vacancies in the Regional Reserved places will be filled by the next eligible entered player on the Regional Reserved Alternate List. If no players eligible for the Junior Regional Reserved place remain, the place will revert to a Direct Acceptance place and be filled in accordance with the criteria for acceptances. There will be no Regional Reserved Alternate List for J200 tournaments.

If at the Freeze deadline the total number of entered players on the Main Draw and Qualifying acceptance lists is less than or equal to the main draw size (all positions including DA, SE, Q but not WC), there shall be no Qualifying event. All Qualifying acceptances shall be moved to the Main Draw acceptance list as Direct Acceptances. On-Site Alternates for the Main Draw may sign in on or before the time announced for the Qualifying sign-in to take any vacant positions at this time.

b) **At the Qualifying Sign-in Deadline:**

i) Vacancies in the Main Draw Acceptance List (created by Late Withdrawals, unused Special Exempt positions, and Main Draw Wild Card positions not to be used as confirmed by the Tournament Organiser) shall be filled by entered players who appear on the Qualifying Draw Acceptance List or have preserved their eligibility for Main Draw selected in accordance with the applicable criteria for acceptances.

ii) Vacancies in the Qualifying Acceptance List (created by Late Withdrawals, players being moved to the Main Draw as above or Qualifying Wild Card positions not to be used as confirmed by the Tournament Organiser) shall be filled by alternate players who have Signed-in for the Qualifying event in accordance with the applicable criteria for acceptances.

c) From the Qualifying Sign-in Deadline until the commencement of the Qualifying competition:

Vacancies in the Qualifying or Main Draw shall be filled by entered alternate players who have signed in for the Qualifying event selected in accordance with the applicable criteria for acceptances until the Order of Play is released. From this point until the Commencement of the Qualifying Competition any vacancy in the Qualifying will be filled by players who have signed-in for the Alternates list on the following day. The Qualifying competition commences when the first ball of the first Qualifying match is struck.

d) After commencement of the Qualifying competition:

Vacancies in the Qualifying draw shall be filled by players who have signed the Alternate List for each day as applicable, selected in accordance with their position on the Acceptance List.

If there is no Qualifying, vacancies in the Main Draw shall be filled by players on the Alternate List, selected according to the criteria for acceptances.

Vacancies in the Main Draw may only be filled by Lucky Losers (see definition in rule 45g). A Lucky Loser shall be inserted as a substitute for any player who withdraws or is withdrawn before the first point is played in his/her first match.

e) After the Completion of the Qualifying Competition:

If after the completion of the qualifying competition there are vacancies in the Main Draw, the ITF Supervisor will fill the Main Draw with all of the Qualifiers and, if necessary, Lucky Losers in the order that they were drawn as detailed above. It shall be assumed all players who lost in the last round of Qualifying will want to take a position in the Main Draw. Therefore, it is the player's responsibility to inform the ITF Supervisor at the end of their match if they do not want to be considered for a Lucky Loser position.

f) Sign-in Requirements for Substitutes

i) At the end of the Qualifying, the ITF Supervisor will fill the Main Draw with all of the Qualifiers and, if necessary, Lucky Losers in the order that they were drawn.

On the day of the completion of the Qualifying, all players who lost in the last round of Qualifying will be considered for a Lucky Loser position.

Therefore, it is the player's responsibility to inform the ITF Supervisor by the end of the Qualifying if they do not want to be considered for a Lucky Loser position.

ii) On subsequent days, Alternates and Lucky Losers must be present and sign-in with the ITF Supervisor at least 30 minutes before the scheduled start of play, to be eligible as Alternates / Lucky Losers.

iii) Alternates and Lucky Losers must be ready to play in proper tennis attire within a total time of (5) minutes after the announcement of a vacancy. Matches must commence without delay after the selection of the Alternate or Lucky Loser.

iv) If the eligible Lucky Loser is not available to play according to paragraph iii) above, he/she shall be placed at the bottom of the Lucky Loser Priority List for the day corresponding to the qualifying round in which he/she lost. Such player is not subject to penalties for late withdrawal/no show. If the eligible player is playing in the doubles event at the time he/she is called as a Lucky Loser in singles, the singles match may be rescheduled so he/she can fill the Lucky Loser position, provided the ITF Supervisor determines that such rescheduling of the singles match does not cause an unreasonable disruption in the schedule; otherwise the next available Lucky Loser shall be selected to fill such vacancy.

iv) Special Exempts

Prior to the time of the Qualifying sign-in deadline, an ITF Supervisor may accept a written request for Special Exempt status on behalf of a player qualified to make such a request (please see definition in rule 45h) but only from the Supervisor of the tournament at which the player is still participating.

If there is no Qualifying competition, or if Special Exempts are not needed prior to the time that the Qualifying draw is made, then the places in the Main Draw reserved for Special Exempts shall become places for Direct Acceptances who have signed in for Qualifying or preserved their eligibility, to be selected in accordance with their position on the Acceptance List.

A player still competing at a Qualified Tournament at the time of the Qualifying Sign-in deadline can request a Special Exempt place (as above). However he/she must notify the ITF Supervisor of the result of his/her match no later than one (1) hour following the completion of the match. If, after the completion of the match, the player is not eligible for the Special Exempt, the Special Exempt place will be filled either by another player who requested a Special Exempt or as per section b.iii. "Vacancies/Substitutions" above. In this case the player will not be eligible to play in the Qualifying draw.

The maximum number of Special Exempts is as follows:

16 Draw	1
32 Draw	2
48 Draw	2
64 Draw	2
96 Draw	2
128 Draw	2

c) Doubles

i) Making the Draw

The placing of seeds and byes and the drawing of the remaining teams shall be in accordance with the same principles used in the singles Main Draw.

ii) Vacancies

A team shall constitute a doubles entry. Therefore, if either of the players of a team cannot play, that doubles entry is subject to immediate substitution. However, if a player has to withdraw through injury or other unavoidable circumstances after the sign-in deadline, but before the draw, his/her partner may enter again with another player who had not already been accepted in the doubles event. With this exception players may not change partners after the doubles entry deadline.

50. Withdrawal after the Draw and Replacement of Seeds

Any vacancy created by the withdrawal of a seed shall be filled immediately by the next highest ranked player in the Main Draw eligible to be seeded. The position vacated by that next highest ranked player shall then be filled immediately by the next player on the original Acceptance List if prior to the commencement of Qualifying or by the eligible Lucky Loser if after commencement of Qualifying. Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play on the day preceding commencement of play in the main draw shall be filled by an eligible Lucky Loser/Alternate.

Any replacement of seeds should be made without consideration to the placement of players from the same nation (as explained in Regulation 49 b).

51. Suspension and Postponement

The ITF Supervisor, chair umpire or off-court umpire may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by the chair umpire or off-court umpire must be reported immediately to the ITF Supervisor. The ITF Supervisor must, however, make all decisions on the postponement of a match until a later day. Unless and until a match is postponed by the ITF Supervisor, the players, chair umpire and all on-court officials must remain ready to resume the match.

Upon suspension of a match, the chair umpire or off-court umpire shall record the time, point, game and set score, and the name of the server, the sides on which each player was situated and shall collect all balls in use for the match. If suspension is due to darkness it should be after an even number of games have been played in the set in progress or at the end of a set. There shall be five (5) minutes of warm-up before a match. In the case of a suspended or postponed match, the period of warm-up shall be as follows:

- 0 - 15 minutes delay - no warm-up
- 15 – 30 minutes delay - three (3) minutes of warm-up
- 30 or more minutes of delay - five (5) minutes of warm-up

52. Related Regulations

To the extent not covered herein The Constitution of ITF Limited 2024 and the 2024 Rules of Tennis shall be applicable to all ITF World Tennis Tour Juniors Tournaments. Regional Associations may co-ordinate the travel assistance offered to players taking part in a group of tournaments under their control.

An international sponsor will have the right to exposure at select events of the Competition, and it will be the responsibility of the ITF to negotiate an agreement with each Host Organiser of these events with regards to this exposure. The ITF grants all Host Organisers of events the right to secure local sponsors provided they are not concerned with the business of the provision of online educational services, or other related services, in order to afford category exclusivity to Dwight Global as an international sponsor.

The ITF retains the exclusive right for net branding at each event of the Competition. The Host Organiser of each event of the Competition is not allowed to place branding on the net unless agreed otherwise in writing with the ITF.

The ITF insists that there should be no tobacco or e-cigarette organisations or betting companies secured as sponsors for any events of the Competition. For the avoidance of doubt, Host Organisers and National Associations are permitted to accept financial grants from national, regional or state lottery providers, provided that the respective Host Organiser or National Association: (i) has obtained the ITF's prior written approval to the proposed arrangements; (ii) uses all proceeds from any such financial grants solely for the purposes of supporting its sporting activities; (iii) does not grant any sponsorship or other promotional rights to the lottery provider; and (iv) complies with the terms of any other applicable guidelines as the ITF may issue from time to time.

The ITF also insists that alcohol brands cannot be secured as a sponsor to events of the Competition in any circumstances.

The ITF will have the right to instruct individual tournaments on the ITF World Tennis Tour Juniors to use the balls of the Official Ball manufacturer providing that the balls are given to the tournament free of charge.

The ITF accepts that certain tournaments may have existing agreements in place with ball manufacturers and in such circumstances, the ITF will waive the right to require the use of the Official Ball at these tournaments for the duration of the existing agreement.

Should the ITF inform a tournament of the intention to use an Official Ball, that tournament agrees that once their current agreement has expired, no new agreement with a ball manufacturer will be entered into.

67. Anti-Doping services

To facilitate testing under the ITF Tennis Anti-Doping Programme, all ITF World Tennis Tour Junior Tournaments must provide on request, and at their own cost:

- (a) A Doping Control Station that, at a minimum, satisfies the requirements of the prevailing version of the WADA International Standard for Testing and Investigations; and

- (b) Sufficient chaperones to notify players selected for anti-doping sample collection, accompany and observe such players until their arrival at the Doping Control Station, and witness provision of those players' samples as necessary.

APPENDIX A
SPECIAL REGULATIONS FOR Junior Grand Slams, Youth Olympic Games, ITF World Tennis Tour Junior Finals, and J500 Tournaments

J500 tournaments shall follow the Regulations for J300-J30 tournaments. Exceptions, additions and special regulations, other than those stated below may be allowed for the Grand Slam tournaments, the ITF World Tennis Tour Junior Finals and the Youth Olympic Games where these are approved in advance of the event by the ITF Juniors Committee.

The following wording replaces the applicable wording in the main Regulations:

J500 and Junior Grand Slam tournaments shall have the following minimum number of competitors in each event:

Boys' Singles: 64 Boys' Doubles: 32 Girls' Singles: 64 Girls' Doubles: 32

If the entry falls below 48 for either of the singles events, J500 status may no longer be given.

Tournament organisers should bear in mind that no points are awarded to a player until he/she has won a round and should therefore do their utmost to ensure that the number of competitors in the draw allows the maximum number of points to be awarded.

The following wording is in ADDITION to the applicable wording in the main Regulations:

43•. Criteria for Acceptances – J500 tournaments and Junior Grand Slams

In addition, if any region – South America; North America; Central America and Caribbean; Europe; Asia; Africa; and Oceania - does not have any players accepted under a) or b) above, the highest ranked entrant from that region shall be accepted for main draw if their ranking is 80 or higher or qualifying if their ranking is 150 or higher.

An eligible player may compete in the following Regional Championships: one Regional Championships and one inter-Regional Championships in one calendar year within the same region. Any ranking points earned in the second event will be removed if a player is found to have competed in Regional Championships in more than one region. All references to the International Tennis Federation or the ITF shall mean the ITF Limited.

B. EXCLUSIVE APPLICABILITY

This 2024 ITF World Tennis Tour Juniors Code of Conduct shall be the exclusive basis for disciplinary action against any player, Related Person, Covered Person (for the purposes of Article V-1) or tournament on the ITF World Tennis Tour Juniors, except to the extent that disciplinary jurisdiction is established in relation to such tournaments under (i) the Tennis Anti-Doping Programme; and/or (ii) the ITF Welfare Policy.

For the purposes of this Code, 'Related Person' is defined as any coach, trainer, therapist, physiotherapist, physician, management representative, agent, family member, tournament guest, business associate or other affiliate or associate of any player, or any other person who receives accreditation at an ITF World Tennis Tour Juniors tournament at the request of the player or any other Related Person.

ARTICLE II: ENTRY OFFENCES

A. APPLICABILITY

This Article shall only apply to ITF World Tennis Tour Juniors tournaments.

B. ENTRY OFFENCES

1. Late Withdrawal/No-Show

A player who has entered and been accepted as a Direct Acceptance into the Main Draw or Qualifying and not timely withdrawn therefrom, shall appear for play. Any withdrawal from a player accepted into Main Draw or Qualifying that occurs after the Withdrawal Deadline shall be considered a late withdrawal. A player's first three (3) late withdrawal offences within a calendar year are automatically excused* ("late withdrawal amnesty"), provided the withdrawal is submitted online through the player's IPIN account prior to the Qualifying Sign-in Deadline.

(*an excused withdrawal is valid for two consecutive tournament weeks provided the player withdraws, as above, and notifies the ITF about the second week's late withdrawal by the last day of the tournament).

A player who is on the Qualifying Acceptance List but who is still playing in another ITF World Tennis Tour Juniors tournament at the time of the Qualifying Sign-In Deadline and who is not eligible to apply, or has been unsuccessful in applying, for a Special Exempt place will not be penalised for Late Withdrawal.

A player will have committed a No Show Offence if he/she is accepted into the Main Draw or Qualifying or has been granted a Wild Card (Main Draw or Qualifying) and fails to arrive on-site for his/her first match in the tournament without withdrawing from the Tournament in advance of his/her first round match.

The ITF Supervisor may waive the No Show offence for a player who arrives on-site after the scheduled commencement time for his/her first match, and penalise him/her for the On-Site Offence of Punctuality instead. A player that commits a No Show violation may not use an on-site medical certificate to appeal a penalty.

In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour".

2. On-Site Medical Withdrawal

a) If a player is forced to withdraw on-site at a tournament for medical reasons, the ITF Medical Certification form must be completed (in English, French or Spanish) by the medically qualified physician on-site indicating the nature of the medical condition and verifying that the player is unfit to continue playing in the current tournament. For the purpose of this sub-paragraph (a), the player must withdraw before the start of his first match and the ITF Medical Certification form must be completed and submitted to the ITF no later than the last day of the tournament.

b) A player that has sustained a medical condition during the Tournament Week may obtain a Medical Certificate from the Tournament Doctor/Sports Physiotherapist that can be used to withdraw from the following week's tournament without penalty. The player must obtain the Medical Certificate within 24 hours of completing their final match or of retiring from a match.

If the player wishes to use the Medical Certificate to withdraw from the following week's tournament then the player must inform the ITF and the following week's ITF Supervisor (if after the Freeze Deadline), no more than 48 hours after obtaining the Medical Certificate or before the Qualifying Sign-in, whichever is earliest.

Players who complete their final match of the tournament after the Qualifying Sign-in of the following week's Tournament must obtain a Medical Certificate before leaving the site and must inform the following week's ITF Supervisor as soon as possible.

- c) An ITF Medical Certification form obtained and submitted in accordance with subparagraph (b) above will excuse a late withdrawal penalty for any subsequent tournament until the player next competes in any tennis event, provided a withdrawal for each tournament is submitted online through the player's IPIN account prior to the relevant sign-in deadline.

At the Appeal Deadline, the suspended player will be automatically removed from the entry list of any tournament entered that is due to commence during the period of suspension, and prevented from entering any tournament due to commence during the period of suspension. Once the period of suspension has been served, the ten (10) points will be deducted from the player's suspension points total. ARTICLE IV: MAJOR OFFENCES

A. AGGRAVATED BEHAVIOUR

No player or Related Person at any ITF World Tennis Tour Juniors event shall engage in “Aggravated Behaviour” which is defined as follows:

- 1.** One or more incidents of behaviour designated in this Code as constituting “Aggravated Behaviour”.
- 2.** One incident of behaviour that is flagrant and particularly injurious to the success of an ITF World Tennis Tour Juniors event, or is singularly egregious.
- 3.** A series of two (2) or more violations of this Code within a twelve (12) month period which singularly do not constitute “Aggravated Behaviour”, but when viewed together establish a pattern of conduct that is collectively egregious and is detrimental or injurious to the ITF World Tennis Tour Juniors.

Any player or Related Person who, directly or indirectly, offers or provides or receives any money, benefit or consideration to or from any other covered person or third party in exchange for access and/or accreditation to the tournament site shall be deemed to have engaged in Aggravated Behaviour and be in violation of this section.

Any player who, directly or indirectly, receives money in exchange for his/her participation in an ITF World Tennis Tour Juniors tournament shall be in violation of this section.

Violation of this section by a player, directly or indirectly through a Related Person or others shall subject the player to a maximum penalty of permanent suspension from play in any ITF tournament, event or circuit, ITF Junior Team Competitions and Regional Junior Tour tournaments organized by any Regional Association.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent denial of access to any ITF tournament, event or circuit, ITF Junior Team Competitions and Regional Junior Tour tournaments organized by any Regional Association.

B. CONDUCT CONTRARY TO THE INTEGRITY OF THE GAME

No player or Related Person shall engage in conduct contrary to the integrity of the Game of Tennis. If a player or Related Person is convicted of a violation of a criminal or civil law of any country, he/she may be deemed by virtue of such conviction to have engaged in conduct contrary to the integrity of the Game of Tennis and the ITF Executive Director may provisionally suspend such player from further participation in ITF World Tennis Tour Juniors tournaments and ITF Junior Team Competitions pending a final determination in Section C. In addition, if a player or Related Person has at any time behaved in a manner severely damaging to the reputation of the sport, he/she may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and be in violation of this section.

Violation of this section by a player, directly or indirectly through a Related Person or others shall subject the player to a maximum penalty of permanent suspension from play in any ITF tournament, event or circuit.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent denial of access to any ITF tournament, event or circuit.

C. DETERMINATION AND PENALTY

The ITF will investigate all facts concerning any alleged Major Offence. All Players and Related Persons must cooperate fully with such investigations. The ITF may make a written demand to a Player or Related Person (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Major Offence, including (without limitation) requiring the Player or other Related Person to attend an interview and/or to provide a written statement setting forth his/her knowledge of the relevant facts and circumstances. The Player or Related Person must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article V.C, the ITF forms the view that a Player or Related Person has a case to answer for commission of a Major Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Player or other Person has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Player or Related Person and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Player or Related Person has a case to answer, the ITF will send a written notice to the Player or Related Person (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Major Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Major Offence has been committed; and
- (c) the Player or Related Person's entitlement to respond to the Notice of Charge in one of the following ways:
 - (i) to admit the Major Offence(s) charged, and accede to the consequences specified in the Notice of Charge;

- (ii) to admit the Major Offence(s) charged, but to dispute and/or seek to mitigate the consequences specified in the Notice of Charge, and to have the Independent Tribunal determine the consequences at a hearing; or
 - (iii) to deny the Major Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;
- (d) if the Player or Related Person wishes to exercise his/her right to a hearing before the Independent Tribunal, he/she must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Player or Related Person's receipt of the Notice. The request must also state how the Player or Related Person responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Player or Related Person will be deemed to have admitted the Major Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Player or Related Person admits the Major Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Major Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the Player or Related Person.

Provisional Suspension

At the time, afterwards, or (exceptionally) before, it issues a Notice of Charge, the ITF may impose a Provisional Suspension on the Player or Related Person in question pending determination of the charge(s), where it considers it necessary to protect the integrity and/or reputation of the Competition, the ITF, and/or the sport of tennis.

Where a Provisional Suspension is imposed, the ITF shall notify the Player or Related Person of his/her right:

- (a) at his/her election, to make an application to the Chairman of the Independent Tribunal convened to hear his/her case, either immediately or at any time prior to the full hearing, for an order that the Provisional Suspension should not be imposed (or, if the Provisional Suspension has been imposed, that it should be vacated). The Chairman of the Independent Tribunal, sitting alone, will rule on the application as soon as reasonably practicable; and
- (b) to have the proceedings before the Independent Tribunal expedited so that the hearing is held, and the charge against him/her is determined, as soon as possible, consistent with the requirements of due process.

In circumstances where the ITF decides not to impose a Provisional Suspension, the Player or Related Person shall be offered the opportunity to accept a voluntary Provisional Suspension pending the resolution of the matter. If the Player or Related Person wishes to accept the offer (and receive credit against any period of suspension that might be imposed), the Player or Related Person must communicate his/her acceptance in writing to the ITF, in a form acceptable to the ITF.

No admission shall be inferred, or other adverse inference drawn, from the decision of a Player or Related Person (a) not to make an application to avoid (or to vacate) a Provisional Suspension, or (b) to accept a voluntary Provisional Suspension.

A Player or Related Person may not, during the period of any Provisional Suspension, play, coach or otherwise participate in any capacity in any tournament, event or circuit owned or sanctioned by the ITF.

Any period of Provisional Suspension served by the Player or Related Person (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF) shall be credited against any period of suspension imposed by the Independent Tribunal, provided that the Player or Related Person must have respected the terms of the Provisional Suspension in full. No credit against a period of suspension shall be given for any time period before the effective date of the Provisional Suspension (whether imposed or voluntarily accepted in writing, in a form acceptable to the ITF), regardless of the Player's or Related Person's status or lack of participation during such period. If a period of suspension is served pursuant to a decision that is subsequently appealed, then the Player or Related Person shall receive a credit for such period of Provisional Suspension served against any period of suspension that may ultimately be imposed on appeal.

Hearing

If the player or Related Person charged exercises his/her right to a hearing, the matter shall be referred to the Independent Tribunal and shall be resolved in accordance with the Independent Tribunal's Procedural Rules.

D. APPEAL

The ITF, the Player and/or the Related Person may appeal the Independent Tribunal's decision to the Court of Arbitration for Sport. The appeal proceedings shall be conducted in accordance with the CAS Code of Sports-related Arbitration, in the English language, and shall be governed by English Law.

E. COMMENCEMENT OF PENALTY

A suspension imposed on a Player for a Major Offence shall take effect from the later of the following, unless specified otherwise by the Independent Tribunal or the ITF when issuing the suspension:

- a) the date of notification by the ITF or Independent Tribunal;
- b) if the player is participating in a Tournament on the date of the notification, the day after he/she finishes competing in that Tournament.

The revocation of accreditation or denial of access to all ITF tournaments, events or circuits imposed on a Related Person shall take effect immediately upon notification.

Any breach by a player or Related Person of the terms of their sanction under this section V shall be referred to the ITF Internal Adjudication Panel and dealt with pursuant to clause 5 of the *Procedural Rules governing an Internal Adjudication Panel convened under ITF Rules*.

ARTICLE V-1: COVID-19 PROTOCOLS (COVERED PERSONS)

In response to the Covid-19 pandemic, the ITF introduced a requirement for Covered Persons to comply with the ITF Return to International Tennis Protocols including without limitation the Minimum Standards of Behaviour (the "Protocols").

The ITF reserves its right at any time to reintroduce a Covered Person's obligation to comply with the Protocols.

The ITF's decision to reintroduce an obligation for Covered Persons to comply with the Protocols shall be made entirely at the ITF's discretion and shall be made without any obligation to notify Covered Persons, National Associations, Regional Associations or other governing bodies.

The ITF Tennis Anti-Doping Programme 2024 is also available upon application.

B. GUARANTEES

The owner(s), operator(s), sponsor(s) or agent(s) of a Tournament shall not offer, give or pay money or anything of value, nor shall such a Tournament permit any other person or entity to offer, give or pay money or anything of value to a player, directly or indirectly, to influence or guarantee a player's appearance at a Tournament. Violation of this Section shall subject the Tournament to disqualification and loss of sanction. In the event the ITF Executive Director believes that a Tournament may be violating this Section, then upon demand the Tournament must furnish or cause to be furnished to the ITF Executive Director or his agent access to and copies of all records to which it has access relating in any way to such alleged guarantee, or, in the absence of such records, an affidavit setting forth the facts in detail with respect to any transaction under question by the ITF Executive Director.

C. WILD CARDS

No Tournament shall cancel less than nine (9) weeks prior to the scheduled commencement of the event.

Violation of this section shall subject the Tournament to a fine of up to \$5,000, reimbursement of unrecoverable expenses incurred, downgrade and/or withdrawal of its sanction.

G. COVID-19 PROTOCOLS

A Tournament shall comply with the *ITF Return to International Tennis Protocols* including without limitation the *Minimum Standard of Behaviour* (the 'Protocols'). Violation of this Article VII.G shall subject the Tournament to a fine of up to \$5,000, forfeiture of all sums, if any, previously paid or due to the ITF, an order for reimbursement of unrecoverable expenses incurred by Covered Persons, withdrawal of its sanction and/or denial of subsequent applications to host.

H. DETERMINATION AND PENALTY

The ITF shall cause an investigation to be made of all facts concerning any alleged Tournament Offence by a Tournament and shall provide written notice of such investigation to the Tournament involved. The Tournament must cooperate fully with such investigations.

The ITF may make a written demand to a Tournament (a "Demand") to furnish to the ITF any information that may evidence or lead to the discovery of evidence of a Tournament Offence, including (without limitation) requiring the Tournament to attend an interview and/or to provide a written statement setting forth its knowledge of the relevant facts and circumstances. The Tournament must furnish such information within seven business days of the making of such Demand, or within such other deadline as may be specified by the ITF.

Where, as the result of an investigation under this Article VII.G, the ITF forms the view that a Tournament has a case to answer for commission of a Tournament Offence, the ITF shall refer the matter to the Review Board.

Review Board

The ITF shall identify one or more individuals who are independent of the ITF and who have the expertise required by the nature of the particular case to form the Review Board and to review the evidence to determine whether there is a case to answer. The ITF shall send the entire dossier of evidence to the Review Board member(s). Where necessary, the Review Board may request that the ITF provide additional information for the Review Board's consideration. There shall be no obligation for the Review Board to meet in person to deliberate. However, any decision by the Review Board that the Tournament has a case to answer must be unanimous.

Where the Review Board concludes that there is no case to answer, then the ITF shall notify the Tournament and any other party with a right of appeal, and (subject to the rights of appeal) the matter shall not proceed any further.

When the Review Board determines that a Tournament has a case to answer, the ITF will send a written notice to the Tournament (the "Notice of Charge"), with a copy to the Chairman of the Independent Tribunal, setting out:

- (a) the Tournament Offence(s) alleged to have been committed, a summary of the facts upon which such allegations are based;
- (b) the potential consequences applicable if it is determined that the alleged Tournament Offence has been committed; and

- (i) to deny the Tournament Offence(s) charged, and to have the Independent Tribunal determine the charge and (if the charge is upheld) any consequences, at a hearing;

(d) if the Tournament wishes to exercise its right to a hearing before the Independent Tribunal, it must submit a written request for such a hearing so that it is received by the ITF as soon as possible, but in any event within 10 days of the Tournament's receipt of the Notice. The request must also state how the Tournament responds to the charge in the Notice and must explain (in summary form) the basis for such response. In the event no such response is received by that deadline, the Tournament will be deemed to have admitted the Tournament Offence(s) charged, and to have acceded to the consequences specified in the Notice of Charge.

In the event that the ITF withdraws the Notice of Charge, or the Tournament admits the Tournament Offence(s) charged and accedes to the consequences specified by the ITF (or is deemed to have done so), a hearing before the Independent Tribunal shall not be required. Instead the ITF shall promptly issue a decision confirming (as applicable) its withdrawal of the Notice of Charge or the commission of the Tournament Offence(s) and the imposition of the specified consequences, and shall send a copy of the decision to the tournament.

I. PAYMENT OF FINES

All fines levied for Tournament Offences shall be paid by the Tournament to the ITF within thirty (30) days after receipt of written notice of the fine.

The ITF shall have the right in its absolute discretion to share information concerning any complaint against a Covered Person with and/or conduct an investigation in conjunction with any other tennis organisation or any other relevant authorities. The ITF Internal Adjudication Panel may also refer the complaint and/or any information received during the course of investigating an allegation or prosecuting a charge to any authorities it considers appropriate in its absolute discretion. The ITF shall have the absolute discretion, where it deems appropriate, to stay its own investigation pending the outcome of investigations being conducted by any other tennis organisations and/or any relevant authorities.

A decision by the ITF Internal Adjudication Panel to affirm, modify or reject a suspension or other sanction issued against a Covered Person may be appealed by the Covered Person to the Independent Tribunal, which shall determine the matter in accordance with its Procedural Rules (save that there shall be no right of appeal against the Independent Tribunal's decision).

A Player with unpaid fines of \$500 or above owing to the ITF, having been afforded sufficient time to pay the fine(s), shall not be considered in 'Good Standing' and shall be ineligible to play in ITF Team Competitions until the fine(s) have been paid.

APPENDIX E

MEDICAL, EXTREME WEATHER CONDITIONS AND TOILET/CHANGE OF ATTIRE BREAKS

MEDICAL

A. Medical Condition

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (as defined in the *ITF Guide to Recommended Health Care Standards*) during the warm-up or the match.

- Treatable Medical Conditions
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.
 - Any medical condition requiring oxygen, unless prior medical approval has been given by the ITF. Except as permitted by this provision, the use of supplemental oxygen is not permitted at any time, for any reason.

B. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist, in conjunction with the Tournament Doctor, to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court.

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

C. Medical Time-Out

A Medical Time-Out is allowed by the ITF Supervisor or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Physiotherapist/Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor.

The Medical Time-Out is limited to three (3) minutes of treatment. However, at non-professional events, the ITF Supervisor may extend the time allowed for treatment if necessary.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Sports Physiotherapist, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends or set-break treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or ITF Supervisor that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the ITF Supervisor for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

D. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

E. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalised by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

F. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist should be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Sports Physiotherapist, in conjunction with the Tournament Doctor, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the ITF Supervisor may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

G. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist should determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

H. Incapacity

If any concern arises about a player's medical condition (whether physical or psychological) they are unable to compete, or they pose a serious health risk to players, officials or tournament organisers or staff, the Sports Physiotherapist and/or Tournament Doctor should be called to assist the player.

If the issue arises during a match, the Chair Umpire should immediately call for the Tournament Doctor and/or Sports Physiotherapist to assist the player.

The Tournament Doctor is responsible for ensuring that the player is afforded the best medical attention, that his/her well-being is not put at risk, and that his/her medical condition is not a risk to other players or the public at large. All discussions between the Tournament Doctor and the player take place within the context of a doctor-patient relationship and are therefore confidential and may not be divulged to a third party without the informed consent of the player. However, if the Tournament Doctor determines that the player's medical condition makes the player unable to participate safely in the tournament, the player must permit the Tournament Doctor to advise the ITF Supervisor of their determination (only disclosing medical information to which the player has consented). Upon receipt of such report from the Tournament Doctor, the ITF Supervisor will decide whether to retire the player from the match in progress or withdraw the player from the match to be played (as applicable). The ITF Supervisor shall use great discretion before taking this action, and should base the decision on the best interests of professional tennis, as well as taking all medical opinion and advice, and any other relevant information into consideration.

If the player's medical condition improves sufficiently to return to match play, the Tournament Doctor may inform the ITF Supervisor accordingly. At the discretion of the ITF Supervisor, the player may subsequently compete in another event at the same tournament, (e.g. doubles), either that day or on a subsequent day.

It is recognized that national laws or governmental or other binding Regulations imposed upon the tournament by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

EXTREME WEATHER CONDITIONS AND LIGHTNING

a. Definitions

Extreme Heat Condition: Modification of Play

Extreme Heat Condition: Modification of Play criterion is defined as when the Web-Bulb Globe Temperature (WBGT) on court meets or exceeds 30.1°C (86.2°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Modification of Play criterion is defined as when the Heat Index meets or exceeds 34.0°C (93.2°F).

Extreme Heat Condition: Suspension of Play

Extreme Heat Condition: Suspension of Play criterion is defined as when the WBGT on court meets or exceeds 32.2°C (90.0°F). If the WBGT cannot be measured, then the Heat Index should be calculated using the chart below, and Extreme Heat Condition: Suspension of Play criterion is defined as when the Heat Index meets or exceeds 40.1°C (104.2°F).

b. Measurement Procedure

The WBGT or Heat Index should be measured at least three (3) times daily by the ITF Supervisor or his/her designee. Ideally, measurements should be taken every 2 hours, but a minimum three (3) readings should be taken at the following times:

1. 30 minutes before match play begins;
2. Middle of the scheduled day's play; and
3. Just prior to beginning the last match of the day, or just prior to the start of the first evening session match.

The WBGT or Heat Index should also be measured under the following circumstances:

1. Following any suspension of play; and
2. At the discretion of the ITF Supervisor, in consultation with the Tournament Doctor and/or Sports Physiotherapist.

Details on the measurement of WBGT and Heat Index are provided in the current edition of the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

c. Extreme Heat Condition: Modification of Play

When the Extreme Heat Condition: Modification of Play criterion is met before the start or resumption of a match, the procedures set out below in sub-section (d) should be followed. For the avoidance of doubt, the ITF Supervisor has the discretion to apply the procedures set out in sub-section (d) at a WBGT or Heat Index below the Extreme Heat Condition: Modification of

Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is met while a match is in progress, as determined by the periodic monitoring set out above in sub-section (b), the procedures set out below in sub-section (d) should be followed on all courts, including matches already in progress. Once notified that the Extreme Weather Condition: Modification of Play criterion is met, the Chair Umpire must inform the players at the next change of ends or set break.

If there is a change in weather conditions and the Extreme Heat Condition: Modification of Play criterion is no longer met, as determined by the periodic monitoring set out above in sub-section (b), those matches already in progress should continue to follow the procedures set out below in sub-section (d) until they are completed or suspended.

d. Modification of Play Procedures (Singles and Doubles)

A 10-minute break will be allowed between the second and third sets (in a best of 3 tie-break sets match only) if one or more of the players requests such a break. If neither/none of the players requests such a break, then play will continue.

However, if a match has already resumed following the suspension of play and one set was completed before the suspension of play (in a best of 3 tie-break sets match), the 10-minute break will no longer be available, unless otherwise decided by the ITF Supervisor.

The ITF Supervisor, in consultation with the Tournament Doctor/Sports Physiotherapist, may choose to delay the starting time for matches until such a time as the Extreme Heat Condition: Modification of Play criterion is no longer met.

i. During the 10-minute break:

a. No coaching is allowed.

b. A Medical Evaluation, Medical Time-Out or Medical Treatment is not allowed, unless approved by the ITF Supervisor. This would normally be restricted to requests for the Tournament Doctor/Sports Physiotherapist that are made on-court to the Chair Umpire, or were already agreed before the end of the second set (in a best of 3 sets match). However, a player is allowed to receive an adjustment of medical support, medical equipment and/or medical advice from the Tournament Doctor/Sports Physiotherapist during the 10-minute break.

- ii. Immediately following the 10-minute break:
 - a. Any delay in resumption of play will subject a player to Time Violations (Warning, Point Penalties only apply).
 - b. No re-warm up is allowed.
 - c. A player is not allowed to receive a Medical Evaluation, Medical Time-Out or Medical Treatment, unless approved by the ITF Supervisor.
- iii. Consecutive Breaks

An Extreme Weather Condition: Modification of Play 10-minute break and a Bathroom/Change of Attire break cannot be taken consecutively.

- e. Extreme Heat Condition: Suspension of Play (Singles and Doubles)

When the Extreme Heat Condition: Suspension of Play criterion is met before the start or resumption of a match, the start or resumption of play should be suspended until Extreme Heat Condition: Suspension of Play criterion is no longer met. If a game is in progress when the Extreme Heat Condition: Suspension of Play criterion is met, play should be suspended at the end of that game. Once the Extreme Heat Condition: Suspension of Play criterion is no longer met, the ITF Supervisor should give the players reasonable notice of the time at which play will resume. For the avoidance of doubt, the ITF Supervisor has the discretion to suspend play at a WBGT or Heat Index below the Extreme Heat Condition: Suspension of Play criterion, if in his or her opinion it is required in the safety and wellbeing of players, officials, spectators or others.

- f. Lightning

The ITF Supervisor or his/her designee is responsible for monitoring the local weather for lightning. The ITF Supervisor has the authority to suspend play when a thunderstorm appears imminent (for instance if lightning is sighted and thunder occurs in 30 seconds or less). Everyone on-site should be advised to seek appropriate shelter immediately. Play should not resume until the likelihood of a lightning strike has passed (as a guideline, at least 30 minutes after the last lightning strike is seen and the last sound of thunder is heard). Additional information on thunderstorms and lightning is provided in the *ITF Guide to Recommended Health Care Standards for Tennis Tournaments*.

TOILET/CHANGE OF ATTIRE BREAK

A player is allowed to request permission to leave the court for a reasonable time for a toilet break / change of attire break (girls' matches). Toilet breaks / change of attire breaks must be taken on a set break. In girls' singles events, a player is entitled to one (1) break during a match. In boys' singles events, a player is entitled to one (1) toilet break.

In a doubles match, and in any singles matches played with a reduced format of two tiebreak sets and a match tiebreak, a toilet break/change of attire break is permitted before the match tiebreak.

In a doubles match, each team is entitled to two (2) breaks. If partners leave the court together, it counts as one (1) break. If only one player leaves the court, it also counts as one (1) break.

These breaks may be taken for toilet visits, change of attire (girls' matches), or both, but for no other reason whatsoever.

Any time a player leaves the court for a toilet/change of attire break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet/change of attire break taken after a warm-up has started is considered one of the authorised breaks. Toilet breaks taken not on a set break will be authorised, but will be penalised in accordance with the point penalty schedule if the player is not ready to play within the allowed time.

The ITF Supervisor shall have the authority to deny a player permission to leave the court during a match for a toilet and/or change of attire break if it is interpreted by the ITF Supervisor as gamesmanship and/or flagrant abuse of the Rules.

A player should not take a toilet/change of attire break and a medical time out consecutively unless approved by the ITF Supervisor.

A player may change her attire during a toilet break.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

**APPENDIX L
SEEDING COMPARISON CHART**

The following chart should be used to compare players with professional ranking against players with ITF Junior rankings for seeding purposes in both singles and doubles. If two players are on the same line of the chart ITF Junior Ranking has priority. If two players are both seeded based on a professional ranking on the same line of the chart, the player with the higher ITF Junior Ranking has priority.

Example:

Seed 1 – ITF Junior Ranking No.2

Seed 2 – ATP Ranking 275

Seed 3 – ITF Junior Ranking No.3

For doubles seeding, a player with a professional ranking is considered the equal of the lowest ITF Junior Ranking in the same group. For example, a player with an ATP ranking of 501-550 is considered the equal of a player with an ITF Junior Ranking of 12.

ITF JUNIOR RANKING	ATP	ITF JUNIOR RANKING	WTA
1	-250	1	-150
2	251-350	2	151-175
3-4	351-450	3-4	176-200
5-6	451-500	5-6	201-225
7-12	501-550	7-8	226-250
13-18	551-600	9-11	251-275
19-24	601-650	12-14	276-300

The ITF will have the exclusive right to exercise the data rights including without limitation the live scoring rights in respect of any and all matches and/or any and all elements of the competition. Each host organiser will assist the ITF in its efforts to exercise the data rights.

ITF hereby confirms that each host organiser may on a royalty free basis use official data by the following means:

In addition ITF confirms that where ITF provides a live score centre of any match on the ITF website the host organiser may request ITF's permission to incorporate a link on their respective official websites that enables viewers to access and view such live score centre. ITF will not unreasonably refuse any request to incorporate such a link provided that the link is incorporated in accordance with ITF directions.

All other rights to use or create or assemble official data or in any way to exercise the data rights are reserved exclusively to ITF and may be exploited by ITF at its sole election, save for as provided at Regulation 65 (Television, Recording and Radio Rights) of the Regulations.

The exception to this provision is host organiser and/or ITF credentialed personnel when used in the performance of their duties.

The host organiser shall co-operate with the ITF in relation to:

- Any system or scheme that the ITF implements for the exercise, collection, supply and/or licensing (in each case by the ITF itself or via an appointed 3rd party) of live scoring rights;

The ITF has, subject to the rules of tennis, agreed that players using approved PAT systems may collect, collate, assemble and store PAT data from matches played in the competition subject to the following conditions:

- i. During the match the coaches and players and any technology providers or service operators involved in the collection, collation and/or analysis of PAT data shall only use such PAT data for internal analysis and coaching purposes of the respective player and/or team and such use shall be strictly subject to rule 30 of the rules of tennis
- ii. Each host organiser coach and player shall and undertakes to procure that any technology provider or service operator involved in the collection, collation and/or analysis of PAT data at any time shall:
 - a) Not publish, use or otherwise exploit any PAT data or supply any PAT data or analysis derived therefrom to third parties for any purposes other than as described in 4(i) above or that have otherwise been pre-approved in writing by ITF and shall take such steps as ITF may reasonably require to prevent any unauthorised access to and/or use of such PAT data, in particular but without limitation no PAT data or analysis or product derived therefrom shall be used or supplied to any third party for any purpose related to betting and/or gambling;
 - b) Ensure that ITF shall be able to access free of charge any and all such PAT data live and/or delayed at the venue of the match and/or such other point as may be agreed and ITF shall be free to use such PAT data and authorise third parties to use such PAT data for any purposes;

In the event that such PAT data is accessed by unauthorised third parties and/or ITF reasonably believes that PAT data and/or PAT equipment and/or services are being used for any purposes in breach of these regulations ITF shall be entitled to rescind its approval and the coaches and players will immediately cease use of the PAT system pending resolution.

APPENDIX O

ENTRY INTO ITF WORLD TENNIS TOUR 15s TOURNAMENTS USING JUNIOR RANKING

Entered players with an approved ITF Combined Junior Ranking of 1-100 shall be selected for a maximum of three (3) Main Draw places at each ITF World Tennis Tour 15s tournament. A Top 100 ITF Combined Junior Ranking can be achieved in two ways:

- i) Current ITF Combined Junior ranking
In accordance with the player's position on the approved ITF Combined Junior Ranking list available on the Entry Deadline and dated twenty-one (21) days prior to the Monday of the Tournament Week;
- ii) "Carry-over" ITF Junior ranking
In addition, players born in 2005 may carry over their 11 December 2023 ITF Combined Junior ranking for the purposes of entering \$15,000 Tournaments until they turn 19 years of age. The Monday of each week determines the player's age for that week. Thus, a player who is 18 on Monday but turns 19 on Tuesday would be eligible to use their ITF Combined Junior Ranking for that week but would no longer be able to use their ITF Combined Junior Ranking the following week. If two players share the same ranking (one with a current ranking, the other with a carry-over ranking), then the player with the current ITF Ranking will be ordered before the player holding the carry-over ranking on the System of Merit.

Junior Reserved Places are only available for players who cannot otherwise be accepted into the Main Draw on the basis of their ATP or WTA Singles Ranking or their ITF World Tennis Ranking in singles. A player must also have turned 14 years of age in order to be accepted into a 15s Tournament.

Junior players ranked outside the ITF Combined Junior Ranking Top 100 on the Entry Deadline are not eligible for a Junior Reserved Main Draw place.

There will be no Qualifying or Alternate places reserved in a 15s Tournament based on ITF Combined Junior ranking.

APPENDIX P
