## Format of Play

Format of Play is determined by the number of entries for a specific team cup.

## Advancement of 2<sup>nd</sup> Placed Teams from the Round Robin Stage.

Draw Formats of 6 and 12-16 teams will advance group winners and 2<sup>nd</sup> placed teams to Quarter Finals.

Draw Formats of 17-23 teams will advance to Quarter Finals with group winners and one (1), two (2), or three (3) lucky losers, depending on the format.

The method is determined by the ITF Masters Committee, who last reviewed the procedure in October 2024.

Each group winner shall qualify to the main medal draw.

Any vacant positions in the main draw Quarter Finals (Draw Formats 17-23) will be filled by 'lucky loser' team(s) in line with the following process:

- All teams that finish in 2<sup>nd</sup> place in the final group standings will be ranked in order of their two (2) highest ranked players based on the latest ITF Masters Singles Rankings within the same age category.
- Not all 2<sup>nd</sup> placed teams will be included in the lucky loser draw process. The number of second-placed teams considered for the lucky loser draw process will depend on the number of vacancies:
  - If there is one (1) vacancy in the main draw quarter finals, this shall be drawn amongst the two (2) highest-ranked teams finishing in 2<sup>nd</sup> place in their round robin group.
  - If there are two (2) vacancies in the main draw quarter finals, this shall be drawn amongst the three (3) highest-ranked teams finishing in 2<sup>nd</sup> place in their round robin group.
  - If there are three (3) vacancies in the main draw quarter finals, this shall be drawn amongst the four (4) highest-ranked teams finishing in 2<sup>nd</sup> place in their round robin group.
- Vacant positions in the Quarter Finals shall firstly be allocated to the opponent of Line 1 (expected #1 seed), followed by Line 2 (expected #2 seed), and so on. Refer to the format of play for vacant positions.
- A "lucky loser" shall not be drawn to play the winner of their own round-robin group.
- Teams that are not drawn shall be included in the playoff stages for position 9<sup>th</sup> onwards.
- Draw Formats of 24 or more teams will advance group winners only to Quarter Finals.

## Completion of Matches

All singles and doubles matches in the round-robin and playoff stage must be completed. This includes all medal matches. Failure to play any match shall result in all players in the team receiving zero (0) ranking points for their participation in the ITF Masters World Team Championships.

Notes:

- The mandatory completion of doubles matches in the playoff stage has been introduced by the ITF Masters Committee for all 2026 ITF Masters World Team Championships.
- Significant ranking points are available in the ITF Masters World Team Championships, based on wins at each stage of the competition.
- The ITF promote opportunity and participation. Teams often nominate four (4) players for the event. Non-completion of doubles often restricts the ability for players to compete in the event.

## Player Registration and Accreditation

All players will be provided with accreditation that must be worn at all times on site.

Player Accreditation will be available for collection prior to the Captains Meeting.

Player Accreditation will be collected by the Team captain at the following time:
