These decisions, before finalised or changed, should be made in close co-operation and consultation with the Tournament Director, Referee, Grand Slam Chief of Supervisors, player representative and/or any other parties helpful to a full and careful deliberation.

U. ON-SITE DECISIONS AND APPEALS

1. Questions of Fact

A Question of Fact is defined as an issue relating to what actually occurred during a specific instance. Questions of Fact arising during a match shall be determined by the on-court officials for that match and such determinations are binding on the players and Referee.

A player may request verification by the Chair Umpire of a call or other determination of fact on a point-ending call made by an on-court official.

The request, verification and resumption of play must all be completed within the twenty-five (25) seconds allowed between points, unless the Chair Umpire determines that an extension is necessary. If an extension is granted it shall be concluded with the announcement “Let’s Play”.

a. Player Appeal

A player may never appeal a determination on a Question of Fact to the Referee.

b. Overrule

The Chair Umpire may overrule a Line Umpire only in the case of a clear mistake by the Line Umpire and only if the overrule is made promptly after the mistake is made.

i. Clear Mistake

It is difficult to define a “Clear Mistake” any more precisely. As a matter of practice, the Chair Umpire must be in a position to make a determination that a call was erroneous beyond any reasonable doubt. Chair Umpires should never make an overrule on a ball that is a close call. To overrule a ball determined “good” by a Line Umpire, the Chair Umpire must have been able to see a space between the ball and the line.

To overrule an “Out” or “Fault” call by a Line Umpire, the Chair Umpire must have seen the ball hit on or inside the line.

ii. Promptly

The Rules of Tennis requires in addition to a “Clear Mistake” that the Chair Umpire must overrule promptly, i.e. immediately after the Line Umpire makes the Clear Mistake. The overrule call must be made almost simultaneously with the Clear Mistake of the Line Umpire.

A Chair Umpire may never make an overrule as a result of a protest or appeal by a player.

A Line Umpire may never change a call as a result of a protest or appeal by the player.

2. Questions of Tennis Law

A Question of Tennis Law is defined as an issue relating to the construction and application of specified facts of these Grand Slam Rules, Grand Slam Code of Conduct and/or the Rules of Tennis. During a match, Questions of Tennis Law shall first be determined by the Chair Umpire. If the Chair Umpire is uncertain or if a player appeals from his determination, then the decision shall be made by the Referee. The decision of the Referee in consultation with the Grand Slam Chief of Supervisors shall be final and non-appealable.

a. Player Appeal

Players shall have the right to appeal against any ruling of Tennis Law in accordance with the procedures hereinafter set forth.

When a player is of the opinion that a ruling by the Chair Umpire on a matter of Tennis Law is incorrect, he may appeal the ruling by notification to the Chair Umpire in a professional and non-abusive manner. Thereupon, the Chair Umpire shall turn off all microphones in the area of the Chair and immediately call for the Referee. Upon his arrival the Chair Umpire shall state all the facts of the incident and the Referee shall be bound by the facts as so determined and stated. Then the Chair Umpire shall state his ruling on the applicable Tennis Law and the player shall state his position with respect to such ruling. The Referee shall review briefly the applicable rules with the player and the Chair Umpire and either affirm or reverse the ruling. Thereafter, play shall be resumed upon the statement by the Referee “Let’s play” and the players must proceed to commence play. Every effort should be made to determine such an appeal within as quickly as possible and upon the statement “Let’s play” the twenty-five (25) second clock shall commence.

V. TOURNAMENT / MATCH COMMENCEMENT

A tournament officially starts when the first serve of the first match is struck. A match officially starts when the first serve is struck.

W. PLAYERS' REST / MEDICAL

1. Between Qualifying and Main Draw

Other than in exceptional circumstances, no player shall be required to play his first-round match in the singles Main Draw until at least twelve (12) hours after the completion of his final Qualifying match. If a player plays two (2) singles Qualifying matches in one day, he should not be scheduled on the following day for his first-round singles match, unless such player is accepted into the tournament as a Lucky Loser.

2. Between Matches

Except when weather or other unavoidable circumstances causes schedule disruption, players shall be scheduled for a maximum of one (1) singles match and one (1) doubles match per day, which shall not be scheduled less than twelve (12) hours after the completion of the last match of such player on the preceding day or round.

Whenever it is necessary to schedule more than one match in the same day such player shall, unless he is in a singles and doubles finals to be played consecutively, be given the following minimum rest periods:

If he has played less than 1 hour	- ½ hour rest
If he has played between 1 hour and 1½ hours	- 1 hour rest
If he has played more than 1½ hours	- 1½ hours rest

3. Medical

a. Medical Conditions

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Sports Physiotherapist (also known as the Primary Health Care Provider) during the warm-up or the match.

- Treatable Medical Conditions**

- Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
- Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.

- Non-Treatable Medical Conditions**

- Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
- Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.

- General player fatigue.
- Any medical condition requiring injections or intravenous infusions, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered. The use of supplemental oxygen is not permitted at any time.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Sports Physiotherapist to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Sports Physiotherapist, such evaluation may be performed in conjunction with the Tournament Doctor and may be performed off-court. *

If the Sports Physiotherapist determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the Referee in consultation with the Grand Slam Supervisor or Chair Umpire when the Sports Physiotherapist has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Sports Physiotherapist determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Sports Physiotherapist is ready to start treatment. At the discretion of the Sports Physiotherapist, treatment during a Medical Time-Out may take place off-court and may proceed in conjunction with the Tournament Doctor. *

The Medical Time-Out is limited to three (3) minutes of treatment.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Sports Physiotherapist, in conjunction with the Tournament Doctor, if appropriate, is final. If the Sports Physiotherapist believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Sports Physiotherapist for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition but is determined by the Sports Physiotherapist and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Sports Physiotherapist and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or Referee in consultation with the Grand Slam Supervisor that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the Referee in consultation with the Grand Slam Supervisor or Chair Umpire for the special circumstance in which the Sports Physiotherapist determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Sports Physiotherapist will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Sports Physiotherapist and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. **Penalty**

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. **Bleeding**

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Sports Physiotherapist must be called to the court by the Chair Umpire for evaluation and treatment. The Sports Physiotherapist, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Sports Physiotherapist and/or Tournament Doctor, the Referee in consultation with the Grand Slam Supervisor or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. **Vomiting**

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Sports Physiotherapist must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. **Physical Incapacity**

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Sports Physiotherapist, the Chair Umpire shall immediately call for the Sports Physiotherapist and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered unable physically to compete, the Sports Physiotherapist and/or Tournament Doctor should inform the Referee and/or Grand Slam Supervisor and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress.

The Referee in consultation with the Grand Slam Supervisor shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical advice and any other information into consideration.

The player may subsequently compete in another event at the same tournament if the Tournament Doctor determines that the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play, whether the same day or on a later day.

- * It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

4. Toilet/Change of Attire Break

a. Women's Matches and Mixed Doubles Matches

A player may request permission to leave the court for a toilet break, a change of attire break, or both (authorised break) but for no other reason.

Any time a player leaves the court for a toilet or change of attire break after the warm-up has started, it is considered the authorised break or additional break, regardless of whether or not the opponent has left the court.

b. Men's Matches

A player may be permitted to leave the court for a toilet break. A player is entitled to one (1) toilet break during a best of three set match and two (2) toilet breaks during a best of five set match. For the best of five set matches one toilet break may be taken during the first three sets. The second toilet break may only be taken after the end of the third set. Toilet breaks may only be taken on a set break and can be used for no other purpose. The toilet break is limited to a maximum of three (3) minutes from the time the player enters the toilet until when the player leaves the toilet.

Players exceeding the allowed time will be penalised by back-to-back Time Violations (Warning, Point Penalties only apply).

For doubles, each team is entitled to a total of one (1) break during a best of three set match. If partners leave the court together, it counts as one (1) team's authorised break.

Any time a player leaves the court for a toilet break, it is considered the authorised break, regardless of whether or not the opponent has left the court.

Any toilet break taken after the warm-up has started is considered an authorised break. Additional breaks will be authorised but will be penalised with back-to-back Time Violations (Warning, Point Penalties only apply) if the player is not ready within the allowed time.

X. SUSPENSION AND POSTPONEMENT

The Chair Umpire or the Referee in consultation with the Grand Slam Supervisors may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by a Chair Umpire must be reported immediately to the Referee. The Referee must, however, make all decisions regarding the postponement of a match until a later day. Unless and until a match is postponed by the Referee, the players, the Chair Umpire and all on-court officials must remain ready to resume the match. If postponement is due to darkness, it should be at the end of a set or after an even number of games have been played in the set in progress. Upon suspension/postponement of a match, the Chair Umpire shall record the time, point, game and set score, the name of the server, the sides on which each player was situated and shall collect all balls in use for the match.

Lucky Losers are those players who have lost in the final round of the Qualifying competition or, if more Lucky Losers are required, those players who have lost in the previous qualifying rounds. Lucky Losers shall be selected based on the rankings used for the determination of qualifying seedings as follows:

The order of the four (4) highest ranked players shall be randomly drawn, thereafter the order shall follow the players' rankings, unless there are more than two (2) main draw withdrawals at the time the Qualifying competition is finished in which case the size of the random draw will be the number of withdrawals plus two (2).

The Lucky Loser list will be posted each day at least one (1) hour prior to the sign-in deadline which will be one-half ($\frac{1}{2}$) hour before the first point is played in the first match. Such list shall not be available for sign-in on the preceding day.

ii. Substitutions

A Lucky Loser shall be inserted in the appropriate position as a substitution for any player who withdraws or is withdrawn before the first point is played in his first match.

In order to be eligible for substitution, a Lucky Loser must:

- (1) report to the Referee and sign the Lucky Loser Sign-In Record at least one-half ($\frac{1}{2}$) hour prior to the start of the first match of each day, and
- (2) be ready to play within five (5) minutes for men's events and fifteen (15) minutes for women's events after the announcement of the default.

If the eligible Lucky Loser is not available to play, in men's events he shall be placed at the bottom of the Lucky Loser priority list for that day corresponding to the qualifying round in which he lost and in women's events she shall forfeit her Lucky Loser status for the duration of the tournament. If the eligible player is playing in the doubles event at the time he is called as a Lucky Loser in singles, the singles match may be rescheduled so he can fill the Lucky Loser position, provided the Referee determines that such rescheduling of the singles match does not cause an unreasonable disruption in the schedule; otherwise the next available Lucky Loser shall be selected to fill such vacancy.

- iii. Vacancy During Qualifying
If a Lucky Loser position should become available during the Qualifying competition, it shall be treated the same as the qualifying places for placement in the Main Draw.
- iv. Vacancy After Qualifying
If a Lucky Loser position becomes available after the qualifying places are drawn in the Main Draw, the eligible Lucky Loser will be inserted in the appropriate position. If a position becomes available during the day, the eligible Lucky Loser will be inserted in the appropriate position at the time the withdrawal is confirmed. Unless otherwise determined by the Referee, positions becoming available after the start of play for the last match of each day will be filled by the eligible Lucky Loser on the successive day of play. When two (2) or more positions become available at the same time, during the foregoing period, the positions to be occupied by each Lucky Loser will be determined by lot.

3. Singles Qualifying Competition

The Qualifying competition shall be a single elimination tournament. There shall be no pre-qualifying event, however nothing herein shall prevent a Grand Slam Tournament from conducting a separate or local event to determine Wild Cards in the Qualifying competition or Main Draw and unsuccessful participants in said event are not prohibited from entering the Qualifying competition if they are otherwise qualified therefore. If the Qualifying competition is not held at the same site as the Main Draw, the Grand Slam Tournaments will provide suitable facilities and equipment at such alternate site.

- a. Surface
The Qualifying competition will be played on the same surface as the Main Draw. However, if there are circumstances beyond the control of the Referee, qualifying matches may be held on a surface different from that of the main event.
- b. Minimum Size
The minimum number of places in the singles Qualifying competition will be the same as in the Main Draw unless otherwise authorised by GST.
- c. Qualifying Competition Required
All Grand Slam Tournaments must have a Qualifying competition unless there are places available in the Main Draw for all players listed on the applicable rankings who have entered or unless otherwise authorised by GST.

d. **Composition**

Unless otherwise authorised by GST, the singles Qualifying competition shall be composed as follows:

Accepted	Direct Acceptances	Wild Cards
128	119	9
96	88	8
64	56	8

e. **Selection of Qualifying Entries**

Direct Acceptances into the Qualifying competition shall be selected from among players with a ranking who have entered, in accordance with any advance entry system. The order of selection shall be consistent with the ranking used for any advance entry system. Ties shall also be resolved consistent with the ranking system. If a withdrawal occurs after the deadline for the Qualifying Draw the vacancy shall be filled from the on-site Alternate Sign-In list using the order of the original Qualifying Alternate list based on the rankings as of the Qualifying entry deadline. Only entered players may sign the Alternate Sign-In list.

f. **Byes**

In the event there are not enough competitors to fill the Qualifying Draw, then after the seeds are placed in the draw as hereinafter set forth, the required number of byes shall be awarded to the highest seeds as a first priority and any remaining byes shall be drawn by lot in a manner so as to distribute them as evenly as possible throughout the sections of the draw.

g. **Sections and Seeds**

The Qualifying Draw shall be made in sections, and the winner of each section shall be given a place in the Main Draw. If four (4) Qualifiers are required, there will be four (4) sections; six (6) Qualifiers, six (6) sections; and so on. The draw shall be seeded, and the selection of seeds shall be consistent with the most recent available ranking list. There shall be one seed in the top half and one seed in the bottom half of each section. If a seed withdraws from the Qualifying Draw prior to the release of the Order of Play on the day preceding the start of the Qualifying competition, the next eligible seed takes the open spot and the Alternate takes the spot created by the move. After the release of the Order of Play, the open spot vacated by the seed is filled by an Alternate.

h. **Method of Draw**

The first seed shall be placed at the top of the first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the first section, the second drawn shall be placed on

the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section. The names of the remaining players shall be drawn and placed in the vacant spaces not occupied by the seeds beginning at the top of the draw.

i. Acceptances of Qualifiers into Main Draw

Once the Qualifying competition has begun, only those players who ultimately qualify and Lucky Losers may be accepted into the Main Draw.

j. Drawing of Qualifiers/Lucky Losers

At the conclusion of the Qualifying competition, the name of one Qualifier will be drawn for each qualifying place in the Main Draw. There shall be no prior designation of qualifying sections to qualifying places in the Main Draw. Likewise, when more than one Lucky Loser is to be inserted into the Main Draw, their positions in the Main Draw shall be determined by drawing. Vacancies occurring before the Qualifying is completed to be filled by Lucky Losers shall be drawn in conjunction with those players who qualified.

4. Main Draw Doubles Entries and Withdrawals

a. Entry Deadline

For Grand Slam Tournaments the entry deadline will be published in the official entry form, and entries must be received by the Referee on or before this deadline.

b. Vacancies

A team shall constitute a doubles entry. Therefore, if either of the players of a team cannot play, that doubles entry is subject to default and substitution. However, if a player has to withdraw through injury or other unavoidable circumstances after the entry deadline, but before the draw, his partner may enter again with another player who has not already been accepted into the doubles event, and this new team may be accepted provided it qualifies by virtue of the ranking used for selection. With this exception, players may not change partners after the doubles entry deadline. In no case shall any player change partners after the draw has been made unless the draw is remade due to the withdrawal of seeded teams.

c. Selection of Entries

Entries shall be accepted in the following order:

Those players who, when teamed together, qualify consistent with the better of their individual singles or doubles ranking on the latest rankings available at the time of the entry deadline. The rankings of the two players of a team shall be added together and these totals will determine who qualifies.

Ties in the men's event shall be resolved as follows (including protected rankings):

1. Team using two (2) doubles rankings
2. Team using one (1) doubles ranking
3. Team using two (2) singles rankings

For ties between teams with the same composition:

- a. For teams using two (2) doubles rankings:
 - i. priority will be given to the team with the fewest combined number of tournaments played; and if still tied, then priority will be given to the team with the highest combined number of points; and if still tied, then
 - ii. if one (1) team is using a Protected Ranking, then they are placed below the team using two (2) actual rankings; but
 - iii. if both teams have one (1) or two (2) members using a protected ranking, then the team with the strongest individual doubles ranking, including protected ranking, will receive priority.
- b. For teams using one (1) doubles and one (1) singles ranking, priority will be given to the strongest individual doubles ranking.
- c. For teams using two (2) singles rankings, priority will be given to the strongest individual singles ranking.
- d. If none of the above Regulations above break the tie, then the order shall be determined by a draw.

Ties in the women's event shall be resolved as follows:

1. Team using two (2) singles rankings;
2. Team using one (1) singles ranking;
3. Team using two (2) doubles rankings.

For ties between teams with the same composition:

- a. For ties between teams using singles rankings with the same composition:
 - i. priority will be given to the team with the strongest individual singles ranking.
 - ii. For teams using two (2) doubles rankings, priority will be given to:
 - A. the team with the strongest combined total points, thereafter
 - B. the team with the strongest combined ranking from the previous week; and then

- C. the team with the fewest combined number of tournaments played over the previous 52-week period.
- b. At each stage for breaking a tie (under the above regulations), a team using a Special Ranking is positioned below the other team(s). If one player on each team is using a Special Ranking, then the ranking of each remaining player determines the order.
- d. If none of the above Regulations above break the tie, then the order shall be determined by a draw.
- e. **Substitution of Doubles Teams**
If substitutes are required, Alternates shall be selected. The sign-in for doubles Alternates shall follow the same principles as the sign-in for singles Alternates. One member of an Alternate team may sign in for the team. Substitutions shall come from the Alternate list of teams not accepted directly into the Main Draw and shall follow the acceptance procedures outlined above. Only substitutions of the originally paired teams are permitted.
- f. **Suspension / Provisional Suspension**
Any player suspended or provisionally suspended under the GS Code of Conduct, the Tennis Anti-Corruption Program or the Tennis Anti-Doping Programme may remain on the Acceptance List, up until 14:00 GMT on the Friday before the Doubles Main Draw is to be made, thereafter they will automatically be withdrawn from the event.
If a player is suspended or provisionally suspended after this deadline, they may remain on the Doubles Acceptance List until the relevant draw is made. At that point, they will automatically be withdrawn from the event.
- g. Each Grand Slam Tournament may make changes to the above-listed procedures, provided that such changes are published at least eight weeks prior to the start of the Doubles Competition.

5. Doubles Main Draw

- a. **Time**
Each Grand Slam Tournament shall specify the time that the draw is to be made. Once the draw is made there can be no change except for substitution.
- b. **Size of Draw**
Unless otherwise approved by GST, the draw shall be for 64 teams.

c. Wild Cards

The maximum number of doubles Wild Cards for a 64 team draw shall be seven (7).

A Grand Slam Tournament may not enter players as a Wild Card team without the consent of both players. A Wild Card may be offered to any team that is not a Direct Acceptance on the original entry list after entries have closed. A Wild Card may be offered to one player on an entered team if it is conditional on his playing with another player. Wild Cards must be named at the time the draw is made.

d. Seeds

i. The draw shall be seeded, and the number of seeds shall be sixteen (16).

ii. Each Grand Slam Tournament shall be the final authority for the selection and resolution of ties with respect to seeds. Such selection and resolution shall be consistent with the ranking list dated approximately seven (7) days prior to the event.

iii. If, prior to the draw being finalised, it is determined that one-fourth ($\frac{1}{4}$) or more of the seeded pairs are unable to play, the entire draw may be remade.

Any vacancy created by the withdrawal of a seeded team prior to the release of the Order of Play for the first day of Main Draw shall be filled as follows:

(1) If the withdrawal is among seeds 1 to 4, the 5th seed is moved into the open position, and the 5th position shall be filled by the next highest ranked team eligible to be seeded.

(2) If the withdrawal is among seeds 5 to 16 it shall be filled by the next highest ranked team eligible to be seeded.

The position vacated by that next highest ranked team shall then be filled by the next team on the original entry list.

Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play for the first day of the Main Draw shall be filled by eligible Alternates.

iv. Even if the draw is remade, the original entry pairings may not be changed except as provided with respect to vacancies.

e. Method of Draw

The placing of seeds and byes and the drawing of the remaining teams shall be in accordance with the same principles used in the singles Main Draw.

6. Mixed Doubles

a. Selection of Entries

Those players who, when teamed together, qualify consistent with the better of their individual singles or doubles ranking as determined by each Grand Slam Tournament. The rankings of the two players of a team shall be added together and these totals will determine who qualifies.

b. Ties for acceptances will be resolved as follows:

1. Team using two (2) singles rankings
2. Team using one (1) singles ranking
3. A team using an Entry Protection/Special Ranking is positioned below the other team(s). If one player on each team is using an Entry Protection/Special Ranking then the ranking of each remaining player determines the order.
4. Team using two (2) doubles rankings.

c. For ties between teams with the same composition:

- i. For ties between teams using singles rankings with the same composition, priority will be given to the team with the strongest individual singles ranking.
- ii. For teams using two doubles rankings priority will be given to:
 - a. the team with the greatest combined total points; and thereafter
 - b. the team with the fewest combined number of tournaments played.

d. If none of the above regulations break the tie, then the order shall be determined by a draw.

e. Seeds

Will be based on the best combined doubles rankings as determined by each Grand Slam Tournament.

1. Ties for seedings will be broken as follows: Priority will be given to the team with the greatest combined total points thereafter to the team with the fewest combined number of tournaments played.

The maximum number of Mixed doubles Wild Cards shall be up to eight (8), regardless of the draw size.

A Grand Slam Tournament may not enter players as a Wild Card team without the consent of both players. A Wild Card may be offered to any team that is not a Direct Acceptance on the original entry list after entries have closed. A Wild Card may be offered to one player on an entered team if it is conditional on his playing with another player. Wild Cards must be named at the time the draw is made.

- g. Each Grand Slam Tournament may make changes to the above-listed procedures, provided that such changes are published at least eight weeks prior to the start of the Mixed Doubles Competition.

GRAND SLAM® CODE OF CONDUCT

ARTICLE I: GENERAL

A. PURPOSE

Grand Slam Tennis (GST) promulgates this Grand Slam Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by players and the organisers of Grand Slam Tournaments, and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis.

B. APPLICABILITY

This Code is applicable as stated herein to the four Grand Slam Tournaments.

C. EXCLUSIVITY

This Code is the exclusive basis for disciplinary action against any player at Grand Slam Tournaments who violates its provisions. Players are also subject to the Anti-Corruption and Anti-Doping programmes set forth in Articles XI and XII respectively and to the Major Offense reciprocity provision set forth in Article IV B.

D. UNITED STATES DOLLARS

All monetary fines set forth in the Code are in US Dollars.

ARTICLE II: PLAYER ENTRY OFFENCES

A. ENTRY OFFENCES

1. Late Withdrawal Non-Appearance

No player may withdraw his entry from the Main Draw of a Grand Slam Tournament for any reason after the withdrawal deadline, except that players on the Alternate list for the Main Draw may withdraw at any time prior to such time as they are moved into the Main Draw as a Direct Acceptance. A player who has entered the Main Draw or Qualifying and been accepted, and not timely withdrawn, shall appear for play.

Violation of this Section shall be penalised as follows:

Ranking (Entry List)	Fine Amount
1 - 10	\$40,000
11 - 25	\$20,000
26 - 75	\$12,000
76 - 100	\$ 8,000
101 - 150	\$ 4,000
151 +	\$ 2,000

In circumstances that are flagrant and particularly injurious to the success of the Grand Slam Tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

2. Playing Another Event

No player who has entered and been accepted into the Main Draw of a Grand Slam Tournament shall play in any other tennis event during the period of such tournament unless authorised by GST. Violation of this Section shall result in a fine of up to \$50,000 in addition to any other fines provided in the Code. In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”. In any case, two violations within the same calendar year shall also constitute the Major Offence of “Aggravated Behaviour”.

B. DETERMINATION AND PENALTY

The Director of Rules and Regulations, GST or his or her designate, shall make such investigation as is reasonable to determine the facts regarding all Entry Offences and upon determining that a violation has occurred shall specify the fine and/or other punishment therefore and mail written notice thereafter to the player.

C. PAYMENT OF FINES

All fines levied by the Director of Rules and Regulations, GST or his or her designate, shall be paid by the player to GST by delivery to the Director of Rules and Regulations, GST or his or her designate, within ten (10) days after the notice thereof is provided.

D. REMISSION OF FINES

A player who has been fined for Late Withdrawal or Non-Appearance as above provided may apply to the Director of Rules and Regulations, GST or his or her designate for remission of such fine. The Director of Rules and Regulations, GST or his or her designate, may remit the “first” Late Withdrawal or Non-Appearance fine in each year only in the event that he is satisfied in his sole judgement and discretion that the reasons for such Late Withdrawal or Non-Appearance were genuine, not foreseeable at the time of entry, justified and unavoidable and that the player has conducted himself in a professional manner with respect thereto. In order to petition for remission of this “first” Late Withdrawal or Non-Appearance fine, the player must:

1. Have notified the Director of Rules and Regulations, GST or his or her designate, and the Tournament Director as soon as reasonably possible after the onset or occurrence of the basis for such Late Withdrawal or Non-Appearance.

2. File with the Director of Rules and Regulations, GST or his or her designate, on or before ten (10) days after the first day of the tournament a written statement explaining in detail the reasons for such Late Withdrawal or Non-Appearance, along with any other evidence that the player deems important to such petition.
3. If the reason for such late Withdrawal or Non-Appearance is related to any injury or illness, furnish to the Director of Rules and Regulations, GST or his or her designate, within ten (10) days after the first day of the tournament the details thereof, certified to by a qualified physician and legibly set forth in English, French, German or Spanish on the Grand Slam Medical Certification Form. Such excuse will be good for consecutive Grand Slam Tournaments missed for the same reasons.
4. Provided, however, if a player is injured at a tournament site after 1800 GMT on the Friday before that tournament, then, if he is examined by the tournament doctor and the Referee and diagnosed in writing as being medically unfit for singles and doubles play, such fine will be remitted. Thereafter each player withdrawing late from or not appearing at the next Grand Slam Tournament for any reason will be fined as provided above.

E. DISCRETIONARY REVIEW

Any player found to have committed an Entry Offence may, after paying all fines as above provided, petition the designated Chair of the relevant Grand Slam tournament for discretionary review by the GST Board of the determination and penalty of the Director of Rules and Regulations, GST or his or her designate. The petition shall be in writing and must be filed with the, GST or his or her designate, within thirty (30) days after notice of the violation is mailed to the player. The Director of Director of Rules and Regulations, GST or his or her designate, shall thereafter promptly forward said petition to the relevant Chair. Said petition shall state in detail the basis for such appeal. Within thirty (30) days thereafter relevant Chair shall review such petition and shall determine in his sole discretion whether or not the GST Board shall hear the appeal. If the relevant Chair decides that the GST Board should not hear the appeal, then the decision of the Director of Rules and Regulations, GST or his or her designate, shall upon notice thereof become final. If the relevant Chair decides that the GST Board should hear the appeal, then he shall designate a time and place for the hearing of such appeal and shall so notify the player and the Director of Rules and Regulations, GST or his or her designate. At such hearing the player and the Director of Rules and Regulations, GST or his or her designate, shall present to the GST Board the relevant evidence on the matter. The GST Board may affirm, reverse, or modify the decision of the Director of Rules and Regulations, GST or his or her designate, on appeal. If the appeal is decided against the player, then GST shall tax the reasonable costs of the appeal against the player, which costs shall include, but not be limited to, the reasonable travel and living expenses incurred by all witnesses and members of the GST Board with respect thereto, if the same is not at a regularly scheduled meeting of the GST Board.

E. BEST EFFORTS

A player shall use his best efforts to win a match when competing in a Grand Slam Tournament. Violation of this section shall subject a player to a fine up to \$50,000 for each violation. For purposes of this Rule, the Referee and/or the Chair Umpire shall have the authority to penalise a player in accordance with the Point Penalty Schedule. In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of "Aggravated Behaviour" and shall be subject to the additional penalties hereinafter set forth.

F. FAILURE TO COMPLETE MATCH

A player must complete a match in progress unless he is reasonably unable to do so. Violation of this Section shall subject a player to a fine up to \$50,000.

In circumstances that are flagrant and particularly injurious to the success of a tournament, or are singularly egregious, a violation of this Section shall subject a player to immediate default and shall also constitute the Major Offence of "Aggravated Behaviour" and shall be subject to the additional penalties hereinafter set forth.

G. FIRST-ROUND PERFORMANCE

All players are expected to perform to a professional standard in every Grand Slam Tournament match.

With respect to the First-Round Performance in the Qualifying and Main Draw, if in the opinion of the Referee the player did not perform to the required professional standard, the Referee may determine that the player be subject to a fine of up to first-round prize money.

Factors that may be considered by the Referee in making such a determination include, but are not limited to, the following:

1. the player did not complete the match;
2. the player did not compete in the 3 week period preceding the Grand Slam Tournament;
3. the player retired from the last tournament he/she played before the Grand Slam Tournament;
4. the player was using a Protected or Special Ranking for entry;
5. the player received a Code Violation for failure to use Best Effort.

H. MEDIA OPPORTUNITIES

Unless unable to appear on reasonable grounds (for instance illness or injury), both winning and losing players or teams will be required to attend post-match media opportunities organised at an appropriate and reasonable time (as a guideline 60 minutes is to be considered reasonable), following the conclusion of each match, including walkovers unless extended or otherwise modified by the Referee for good cause at both Qualifying and Main Draw events. These opportunities enable players to put across their opinions on their performance and provide valuable exposure to the media and fans. In addition, all Main Draw players will be required to participate in feature media opportunities on practice days both ahead of and during the event in order to help drive engagement with the sport. All media opportunities include, but are not limited to, interviews with the host and player's national broadcaster. Both singles champions also agree to participate in appropriate media activity as requested. The organisation of these media opportunities will be discussed with the player and the player liaison teams at each event, and the player is welcome to make use of support available at each event to assist them with the opportunities. If a player is unable to appear, the appropriate level of direct communication is requested. Violation of this Section shall subject a player to a fine up to \$50,000.

I. CEREMONIES

A player participating in the finals of a Grand Slam Tournament must attend and participate in the final ceremonies after the match unless he is reasonably unable to do so. Violation of this Section shall subject a player to a fine up to \$50,000.

This will be followed immediately by the warm-up period. At the end of the warm-up period the players have sixty (60) seconds to be ready to start the match.

Any player not ready in time for the warm-up or ready to play after the warm-up period is subject to a fine up to \$50,000.

Following the expiration of the warm-up period play shall be continuous and a player shall not unreasonably delay a match for any cause.

A maximum of twenty-five (25) seconds shall elapse from the moment the ball goes out of play at the end of the point until the time the ball is struck for the first serve of the next point. If such serve is a fault, then the second serve must be struck by the server without delay.

When changing ends a maximum of ninety (90) seconds shall elapse from the moment the ball goes out of play at the end of the game until the time the first serve is struck for the next game. If such first serve is a fault the second serve must be struck by the server without delay. However, after the first game of each set and during a tie-break, play shall be continuous, and the players shall change ends without a rest period.

At the conclusion of each set, regardless of the score, there shall be a set break of one hundred and twenty (120) seconds from the moment the ball goes out of play at the end of the set until the time the first serve is struck for the next set.

If a set ends after an even number of games, there shall be no change of ends until after the first game of the next set.

The receiver shall play to the reasonable pace of the server and shall be ready to receive within a reasonable time of the server being ready. A Time Violation may be issued prior to the expiration of twenty-five (25) seconds if the receiver's actions are delaying the reasonable pace of the server.

The first violation of this Section, as either server or receiver, shall be penalised by a Time Violation warning and each subsequent violation, as either server or receiver shall be penalised as follows:

- Server The Time Violation shall result in a “fault”

In addition, any player who is defaulted as herein provided may be defaulted from all other events, if any, in that tournament, except when the offending incident involves only a violation of the Punctuality or Dress and Equipment provisions set forth in Article III. B and C, or as a result of a medical condition or when his doubles partner commits the Code Violation which causes the default.

W. PAYMENT OF FINES

Each Grand Slam Tournament shall deduct such fines from the player's prize money, if any, and promptly pay the same to GST. In the event that the player's prize money is insufficient to pay such fine, the player shall pay the balance thereof within twenty (20) days after the tournament to GST.

In the event of a whole or partial reversal the Director of Rules and Regulations, GST or his or her designate, shall remit to the player all or part of the fines collected in accordance with the disposition of the appeal.

The decision of the Director of Rules and Regulations, GST or his or her designate is final and non-appealable.

In addition, any Player or Related Person who, directly or indirectly, offers or provides or receives any money, benefit or consideration to or from any other Covered Person or third party in exchange for access and/or accreditation to the tournament site shall be deemed to have engaged in Aggravated Behaviour and be in violation of this Section.

In addition, if a player has at any time behaved in a manner severely damaging to the reputation of the Sport, including but not limited to the commission of a Major Offense or its equivalent under the relevant Codes of Conduct for ATP, WTA and/or ITF, he may be deemed by virtue of such behaviour to have engaged in conduct contrary to the integrity of the Game of Tennis and the Director of Rules and Regulations, GST or his or her designate, may also provisionally suspend such player from further participation in Grand Slam Tournaments pending a Final Determination in Section C. Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine up to \$250,000 and/or to a maximum penalty of permanent suspension from play in all Grand Slam Tournaments.

Upon the completion of his investigation the Director of Rules and Regulations, GST or his or her designate, shall determine the innocence or guilt of the player involved, and, in the latter case, shall

state in writing the facts as found by him, his conclusions and his decision fixing the penalty to be imposed. A copy of the decision shall be promptly delivered to the player and to GST.

D. PAYMENT OF FINES

All fines levied by the Director of Rules and Regulations, GST, or his or her designate, for Player Major Offences shall be paid by the player to GST by delivery to the Director of Rules and Regulations, GST or his or her designate, within thirty (30) days after receipt of written notice thereof. F. HEARING ON APPEAL

After the Notice of Appeal is filed, GST shall set a date, time and place for the Hearing on Appeal and shall so notify the player and the Director of Rules and Regulations, GST, or his or her designate, provided that such date be as soon as reasonably possible after the Director of Rules and Regulations, GST's, or his or her designates Determination and no later than thirty (30) days thereafter. 5. Evidence

Each side shall have the right to present witnesses, documentary evidence, and testimony by affidavit or deposition. Documentary evidence and affidavits shall not be admissible unless a copy thereof is submitted at least ten (10) days prior to the Hearing to GST and to the other party. Should objection be made to the introduction of an affidavit, GST may determine at its or their discretion that the interests of fairness require that the affiant be produced to testify at the Hearing, or, alternatively, that such affidavit be excluded. In the case of the former, a reasonable continuance must be granted for production of such witness.

C. STAY OF SUSPENSIONS PENDING APPEALS
