9.04 ATP Doubles Rankings

A. The ATP Doubles Rankings is based on calculating, for each player, his total points from his best 19 results from all eligible tournaments, including the Nitto ATP Finals (Doubles) played in the Ranking period. For entry purposes there are no mandatory events, however, once a player is included in the main draw of any of the four (4) Grand Slams or the eight (8) ATP Tour Masters 1000, as a direct acceptance, a qualifier, alternate or a lucky loser or having accepted a wild card, his result in one of these twelve (12) tournaments, shall count for his ranking, whether or not he participates. The exception to this is once per player per calendar year, a player whose team is forced to withdraw after the draw has been made but prior to the team's first match shall not have the withdrawal count as a tournament played for purposes of ranking.

B. Loser points for the rounds achieved are awarded to players in any tournament not completed.
